

“The Season of the Rapture”

Chapter 3

There are two kingdoms competing for ownership of the world, including your soul. One is a system of slavery that appears as a disguise for liberty, while the other is a system of liberty that has been maligned as a system of slavery. The “**Beast**” system promises liberty while it increases its control of enslavement. The Kingdom of God functions by the divine “**Law of liberty**” -(James 2:12) but many have mistakenly assumed it is a system of bondage. One of Freemasonry’s mottos is the expression, “*Do what thou wilt!*”

The head of the corner is a capstone on a pyramid. Christ was rejected, because He did not fit on the body of the people. The body of the Great Pyramid was built on 203 layers of stone, divided by the King’s Chamber on the **50th** layer of stone (**50th** here symbolizing the **Jubilee Cycle**). Coincidentally, there are 203-206 bones in the fully grown adult human body. Above it is **153** layers of stone (meaning the **Sons of God** who would be saved) -(John 21:11). If, however, the capstone had fit on the Great Pyramid, the height of the Great Pyramid would have risen to “**5776**” Pyramid Inches, instead of just “**5449**” Pyramid Inches. Many of us believe the height of the Great Pyramid will be reached in **2017**, in order to fulfill Masonic teachings.

There are over 1,700 Biblically oriented phrases with the numerical or “Gematria” value of “**153**”. The Hebrew expression for “**Sons of God**” has a “Gematria” (numerical value) of “**153**”, while the Greek equivalent comes to 3,213, or **3 X 7 X 153**. Another Greek phrase with a similar meaning is “**joint heirs**” which comes to 1,071, or **7 X 153**. “**Seven**” is recognized and considered the Biblical number of completion or fullness, but even more than that, it is God’s “Covenant” number! **Seven** is central to the Biblical “DNA”, a means by which the Greek Textus-Receptus and the Hebrew Masoretic texts are validated and authenticated as to their genuine True Author. In a future chapter, I will show how this “Covenant” number plays out in identifying the “**Season of the Rapture.**” This “Covenant” number is the “key” to the entire Bible!

The full study of this material constituted seventy-two segments of Bible/Biblical Forensics[®] an educational worship bulletin insert I write. If time had been available, I would have considered publishing it in book format hard copy. If I am right about the coming weeks of “**2017**”, the lead time necessary in getting a 400-page book to print and market would be an insufficient amount of time to publish my research findings. The premise and supportive material in this series is incredible and amazing to ponder.

The Masonic founders knew long before that this nation would be established in “**1776**”. Its connection to the Great Pyramid is seen on the “Great Seal”, on the back side of every “One Dollar” Bill, along with the date “**1776**” at its base. In the world of occult teaching, it was assumed that Jesus Christ was born 4,000 years after Adam, so the year “**1776**” was actually “**5776**” by their reckoning. Tom Horn notes this in his book, ‘*Zenith 2016*’, page 309, and explains why this is so important to the Freemasons? The answer is found in the occult

realm of “5776”, or the exact height of the Great Pyramid with the attachment of the capstone, a sacred fact to those of the occult.

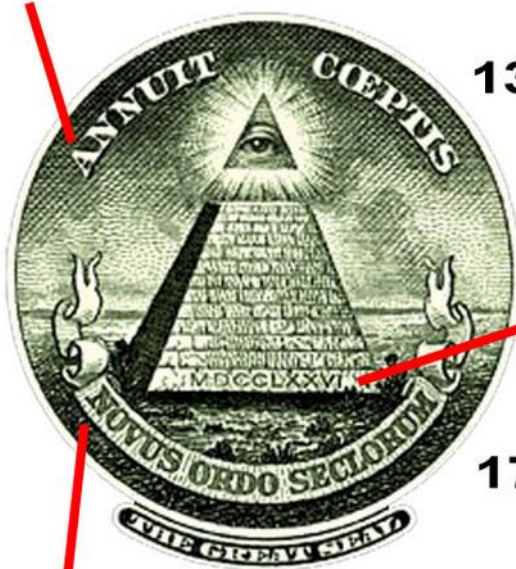

This reflects on the occult world and its agenda of introducing the Masonic Christ [the Antichrist] in 2016/2017. There was an aborted plan to affix a gold capstone back in the late 1990’s, but Cairo’s cultural ministry and occult groups associated with this agenda abruptly cancelled plans on December 16, 1999, with hardly a word of explanation. The authorities planned a capping ceremony to observe the 2,000th year or a millennial anniversary. At the time, the name of George H.W. Bush appeared several times in the media as well as the Masonic media suggesting that “*it was not time*” to affix a capstone. Looking back on what I knew then, I now believe I had discovered one of the “key” secrets of Freemasonry and the Great Pyramid. It has to do with this year “5776” or “2016” and the symbols are revealed hidden “in plain sight” on the back of the U.S. “One Dollar Bill”.

Behind the scenes, Freemasonry is preparing to reveal their Masonic Messiah [the Antichrist]. Understanding Freemasonry is like trying to pick up or handle mercury. Anyone writing a book or boasting they have revealed the secrets of the Lodge are either exaggerating or lying since no single Masonic Lodge member knows all the secrets, and there are many. Masonry is an enigma wrapped up in a riddle. However, they have shown their hand! Recall my comments in the previous segment about how Masonry hides in the shadows of “dualism”. Freemasonry is a repository for the Babylonian/Egyptian mystery religions. The Lodge is not about making men better (the Masonic claim), but rather about making men into gods. The Masonic Lodge is obsessed with the Great Pyramid. I have viewed countless hours of videos on

the riddle of the Great Pyramid. Make no mistake about it, but, unknown to the real world, Freemasonry is joined at the hip to the Great Pyramid complex esoteric concepts.

It is a fact that in the 19th degree of Freemasonry, the Lodge member learns that the god they worship is Lucifer. This is revealed in Albert Pike's *'Morals and Dogma'*, the Mason's handbook or bible. In the 3rd degree they are taught to lie for a brother Lodge member, and in the 13th degree they are taught to cover up capital crimes of fellow Lodge brothers. One of the most subtle examples of the Masonic hand signs was seen when FBI Director James Comey was testifying before the Congressional Committee in 2016, concerning Hillary Clinton's misuse of classified information while using her private email server. The Director was taking the oath

before the Committee when two members of the committee on the back row gave hand signals to the FBI Director to keep his mouth shut. One congressional member positioned two fingers over his lips while another member passed his hand across his neck, as to remind the Director's oath as a member of the Masonic Lodge. This was shown on the Internet and the commentator narrated the subtle hand gestures and their meaning. Former President Bill Clinton has long been a member of DeMolay, the junior organization for Freemasonry.

It is very evident that Freemasonry is the worship of Lucifer. It traces its roots to ancient Egypt and the Egyptian Mystery Religions and Esoteric schools dealing with the arcane arts. If "5776" or "2016/2017" is the "Season of the Rapture" then it is likely that what will follow at or just after the Rapture will be the introduction of the Antichrist. It is feasible to conclude that subsequent to our departure in the Pre-Tribulation Rapture, the Grand Orient Lodge of Freemasonry will opt to introduce their Masonic Christ [Antichrist]. Rather than fixating on who the Antichrist might be, Christians are strongly encouraged to remain focused on the coming of the Messiah in the clouds and to call us to "**Come up hither**" -(Revelation 4:1).

Nevertheless, there is evidence that simply cannot be ignored. It has been around for two decades. It can be most important if you are not a Christian, and for that reason I will brief the reader. In 1996, Laurence Gardner published a shocking book, '*Bloodlines of the Holy Grail*'. That book along with Tim Cohen's book, '*Antichrist and a Cup of Tea*' published in 1998, are the strongest evidence ever written suggesting that the Antichrist will come from the British Royal family and more specifically Prince William, Duke of Cambridge. Laugh if you must, but the military insignia patch on Prince William's uniform with regards to his search and rescue helicopter squadron resembles that of Baphomet, the image of a goat!

Prince William's military career was terminated some time ago as part of his grooming process to become King of the UK, and most likely King of the New World Order. It is a military fact that his stint in Afghanistan, mostly a public relations effort, required a company of British soldiers to provide Prince William personal security. The Queen could not risk harm coming to her grandson. The prince subsequently served at home as a helicopter pilot in the RAF Squadron 60. His unit insignia depicts the head of Markhor, head of a mountain goat frequenting the Khyber Pass in northwest India. Ironically, the Goat of Mendes is the spitting image of the Markhor goat, which is incorporated into Prince William's insignia patch.

Baphomet is a pagan deity revived in the 19th century as a figure for Satanism. It is another name for the Satanic "Goat of Mendes", god of the witches. Essentially, this goat head is the symbol for Satan, the Antichrist, and Baphomet. Prince William's insignia badge shows the Baphomet framed by two lightning bolts, which symbolize the god, Zeus – father of the gods and men. The paired lightning bolts were also symbolic of the Nazi SS troops. Interestingly so, Disney Studios has recently produced a re-run of its film "*Beauty and the Beast*", but this time the beast is none other than the Satanic Baphomet. It is scheduled for selected theater release on March 17, 2017. The timing of Disney Studio's release is scheduled for a couple days before the Vernal/Spring Equinox on March 20th, and is observed as a feast

day involving orgies and animal or human sacrifice. But even more interesting about this release date is the fact that on Satanic/occult calendars, it is a high holy Satanic day!

In the world of the occult, March 24th is known as the *"Feast of the Beast"*, in which a sixteen year old girl becomes the bride of Satan in a marriage ceremony. How is that for the timing of Disney's 2017 release of *"Beauty and the Beast"*? Is that a coincidence or not? If I were a betting person, I would bet you did not know America's name for children's entertainment is deeply associated with its involvement with Satanic Masonry, Club 33 at Disney Land, and the embedded subtly of sexual images in the Disney Studio films bought by parents for their innocent children. Here follows the comments of Fritz Springmeier, expert and author on *'The Bloodlines of the Illuminati'* on the *"Feast of the Beast"*:

"At the Feast of the Beast, a beautiful bride is trained and presented to Satan, and she may well be a virgin. This ceremony is most likely held at a castle or palace, and is also likely to be held over in Europe for the principle ceremony. Lesser ceremonies may be held here in the states. Witnesses claim that Satan appears and interacts with his human leadership. He provides them with detailed instructions for what he wants done until the next Feast of the Beast. In other words, he provides the

top Illuminati hierarchy with their future long-range plans. The actual Feast of the Beast is a yearlong ceremony.”

Fritz Springmeier is a recognized expert on the world of the Illuminati and speaks to the dark side seeking the destruction of Christianity in the world. His writings and books are excellent resources, naming names and the blood lines behind the world powers working toward the globalist New World Order.

The scheduled release for the new Disney remake of *“Beauty and the Beast”* is March 17th, 2017 but the full national release is likely to be March 24th the satanic/occult day for their annual *“Feast of the Beast”*. The world of the Occult and Satanic Disney Studios flaunts its evil satanic deception and brainwashing as entertainment and deceives the children of America.

For seventy-five years Walt Disney and Disney Studios has produced animated “pixi-dust” message films containing hidden embedded satanic, occult, and even pornographic images; images passed off as children’s entertainment, all without any reference to lessons in faith. Brothers Walt and Roy Disney were deeply involved with Freemasonry and their anti-Christian genre of “pixi-dust”. This time around Disney Studios have flaunted “Baphomet” the image well-known to represent Satan.

Getting back to Prince William, an occult researcher speculated that his position in the RAF carries occult significance in its symbolism. More specifically, the Prince is similar to a Winged Lion or Griffin. He is like Horus with wings, the winged Sun disc, the Lion-Eagle. Once he is crowned Monarch and Commander of the British Navy, he will be considered King and “Light Bringer” above and below, on land and on sea.

In 2009, the Queen began delegating a substantial portion of her public duties to Prince William in preparation for the day when he will become King. Newspaper articles confirm that the Queen is indeed grooming Prince William as a 'Shadow King'. This will likely dwarf events following the Rapture of the Bride (church). Keep in mind the Queen's health is not good and

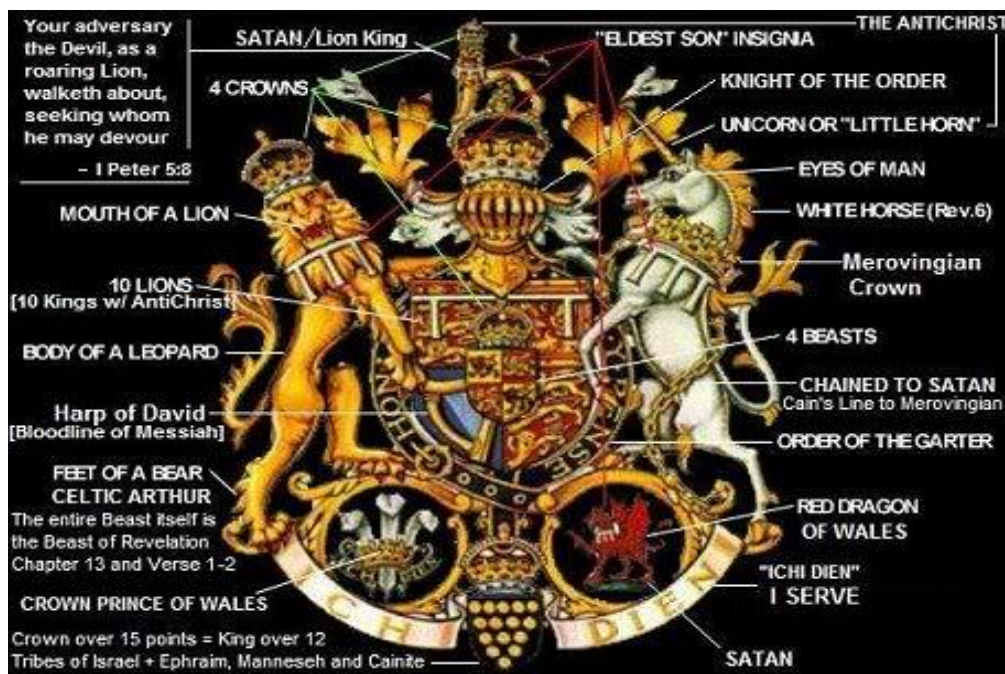

She will be 91 this April 26, 2017, and she has missed a number of appearances in the past six months due to the Queen and King of England having colds. Take a good look at father and son, Prince Charles of Wales and Prince William, Duke of Cambridge, holding his son. I ask you, who could dare find fault with Prince William as the King of the World, the Masonic Christ?

The two books that I previously referenced provide powerful evidence that Prince William is the most qualified candidate to be the Antichrist. I would not rule out his younger brother Harry, as the Antichrist, but that is another subject altogether. As an interesting aside, *'Antichrist and a Cup of Tea'* is banned in the UK. The other book, *'Bloodlines of the Holy Grail'* contains pages of genealogy charts tracing the Royal Family back to King David! One might conclude that the Prince's military patch is just a coincidence but when combined with the evidence found in the two books I referenced, plus the below coat of arms, the idea of coincidence quickly fades. Both of these books have been around for two decades; however, *'Antichrist and a Cup of Tea'* is banned in the UK, since its release. Watching events relating to

Israel has always been the key for those interested in Bible prophecy, but tuning into the Royal Family happenings can be equally important. Count the Biblical symbols from the Royal family crest/coat of arms below.

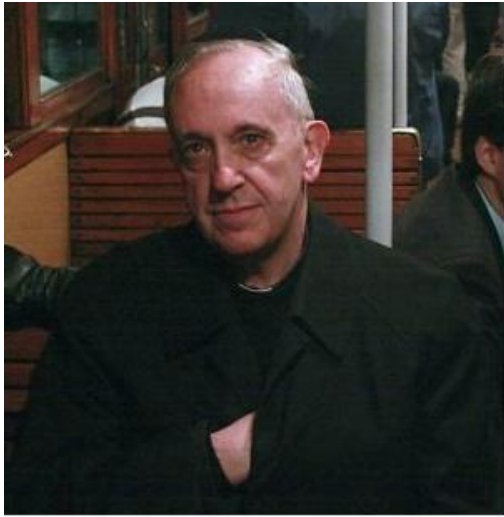

The introduction of the Masonic Christ [Antichrist] will likely parallel or coincide simultaneously, or a short time following with the Rapture of the Bride of Christ Christians. Written back in 1981, the book titled *'Armageddon Script'* authored by Peter Lemesurier is another relevant read. Those linked to the world of occult are particularly aware of the coming Rapture of Bible-believing Christians. Years ago I was shocked to learn how they planned to manipulate events after millions are gone! On the next page is Prince William's Coat-of-Arms. If you hear Joel Richardson or Walid Shoebat claim the Antichrist will be a Muslim, do not buy this lie they want people to swallow. Richardson and Shoebat [not their real names] are Jesuit skills promoting this idea of an Islamic Antichrist in order to deflect criticism away from crazy Pope

Francis. Pope Francis recently claimed on either February 17th or 18th and said falsely alleging there is no such thing as “Muslim Terrorism”. According to the *“Religion of Peace”* website in 2016 there were **2,476 Islamic attacks in 59 countries**, in which **21,239 people were killed** and **26,677 injured**. So much for the father of lies!

Pope Francis talks crazy but he is crazy like a fox. On the next page is a picture of Jorge Bergoglio, as the archbishop of Buenos Aires, Argentina. He is a Jesuit and a closet Freemason, note the “hidden hand” with the adjoining Freemasonry symbol explanation. This pose is well known, going back hundreds of years, including such names as Napoleon, Josef Stalin, Fidel Castro, Governor Jerry Brown of California, etc. Pope Francis, formerly Jorge Bergoglio was well-known for using public transportation during his Episcopacy in Argentina. Below Pope Francis is his predecessor Pope Benedict XVI, forced to retire and giving his Satanic hand sign to his audience. Don't believe it if anyone tells you he is merely giving the sign for *“I Love You”* or

the "Texas Longhorns". I have pictures of Charles Darwin sending the secret sign message of his "Service to Satan" in the mid-1800's. This was thirty years before Helen Keller was born!

"Hidden Hand"

"The Jesuits are a Military Religious Order of the Roman Catholic Church; Masonic and other oaths."

"The hidden hand lets the other initiates know that the individual depicted is part of this secret Brotherhood and that his actions were inspired by the Masonic philosophy and beliefs. Furthermore, the hand that executes the actions is hidden behind cloth, which can symbolically refer to covert nature of the Mason's actions." - VC

I have just shared information that speaks to the largest event the world will experience up to this point in time. To reiterate, the significance of the year "5776/5777" or "2016/2017" is not to be treated lightly. I need to point out that I am quite aware of the "missing year", a subject to be addressed later on in this study. It's not really missing! There is so much more evidence linking everything together. While we await the rapture of born-again believers, Freemasonry is quietly preparing to move into high gear. I would add, the construction of the Third Temple will begin relatively quickly once the rapture has occurred. Limestone blocks are pre-numbered, prepared and already in Israel now! Shortly after the Israeli Six-Day War victory in the summer of 1967, Freemasonry's Grand Orient Lodge of Israel and London ordered 60,000 tons of cut Bedford, Indiana limestone blocks for the Third Temple. The Grand Orient Lodge of Boston handled the transaction on this end of the pond. The limestone blocks are secure somewhere in Israel today, probably within thirty-five miles of Jerusalem.

Back in those days, 1969-72 my 3-year-old son and I often hung out at the Pennsylvania Railroad's Pitcairn Yards east of Pittsburgh, PA. We shared a love for all things related to railroading and became life-long model railroad buffs. I was pastor of a United Methodist

Church in North Braddock, PA not far from the Pennsylvania Railroad's Pitcairn Yards. On Friday or Saturday mornings we would go down to the yards early and watch the trains coming and going when activity was highest between 8 a.m. and noon. Nearly daily, for over a year, a freight train arriving from St. Louis stopped at the Pitcairn Yards for re-crewing before heading east. Between six and eight gondola cars could be seen on the front end of the train. Each railroad gondola car contained between two and eight limestone blocks, depending on the weight of the stones. Each stone was spray-painted bright neon orange with a two-digit letter/number (confirmation the stones were cut to a plan specification). The sides of the gondola cars were marked with cardboard signs reading: "**Destination: Kearney, NJ, For Export to Israel**". In fact, the magazine *'Christianity Today'* published a three-page spread on the stones ordered for the third temple in their August, 1967 issue. I believe it was the early edition of August, as in those days *'Christianity Today'* was published twice a month.

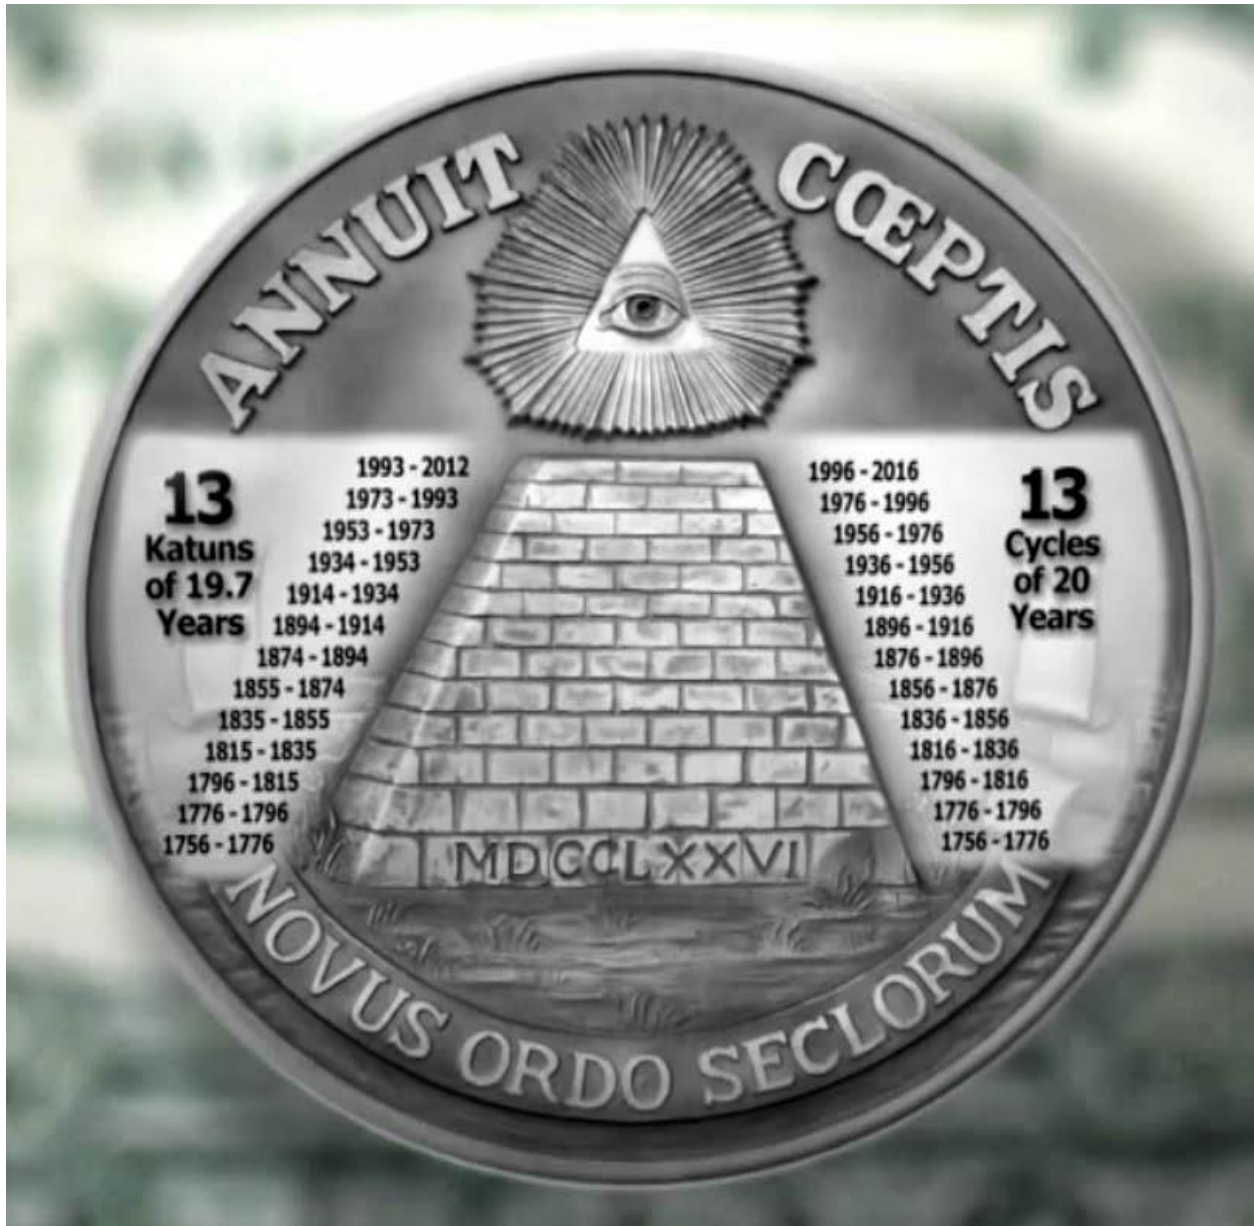

Architects and engineers publicly have stated that it would require between 18 and 22 months to construct the Third Temple. Back in 1967, the plans to rebuild the Third Temple were postponed due to the fact that Israel transferred the authority of the Temple Mount over to the Jordanian government as a peace-seeking gesture with Israel's enemies.

Many folks dismiss the idea that construction of the Third Temple could become reality, but they are absolutely wrong. The influence of "Replacement Theology" has had over 1,800 years to penetrate the Christian and secular world. I would suggest to the reader that this is Satanic at its very core. Satan's plan has been and still is to wipe out the Jewish people. In the five decades I have served in Christian ministry, I have felt strongly that those who bought into this aberrant heresy of "Replacement Theology" will find themselves in a fog of confusion. Consequently, they are deluded by those who have embraced it. When you examine Paul's teachings in the book of Romans, chapters 9, 10, and 11, it is obvious that God is anything but done with the Jews. In fact, He has big plans for them! Speaking to Ezekiel, God states five times in Ezekiel 20 the reason for His action, namely to restore God's Holy Name which the Jews have defamed or desecrated. The Jews came back to their land, first in unbelief beginning in the last century, and they are being prepared to come back, but this time in belief, following the Second Coming of Christ and the beginning of the Millennial reign of Christ Jesus.

The documented facts combined with the cumulative evidence discloses hundreds of measurements, calculations, and dimensions over many years of research and catalogued by many from various disciplines and backgrounds offers abundant proof that God is the Master Architect of the Great Pyramid. It has long been recognized that it contains incredible measurements with utter precision such that it could not be built today using the standards that were incorporated into its very existence.

Below is a Masonic Trestle Board overlaid with the truncated Pyramid from the "One Dollar Bill". It contains two sets of dates, the left based upon the Mayan Katuns, and the right based upon the cycles of Years. Note the date at the top of the right-hand side. It ends in **2016** when the New World Order is implemented. The reader aptly will note this is 2017, so where is

the New World Order. It's here, trust me! The New World Order has been a "work in process" for many years, at least four centuries!

The "all seeing eye" at the top of the pyramid power structure is made up of three independent city-states: 1. Crown Center, London, England; 2. Vatican City, Rome; and 3. Washington, D.C. Note their common symbol of worship below. Each of these Corporations represents one of the three major elements of the Global System of the Illuminati. For the skeptic, the United States of America is a Corporation, and it is registered in the State of Delaware. But the Trestle Board is a Masonic symbol of their great plans. In this example, it refers to the bringing forth of their Antichrist in accordance with the plans noted symbolically.

The agenda was to announce the coming of their Masonic Messiah, which is now slightly overdue. They await our departure, the Christian's departure, that is!

The Trestle-Board is defined to be the board upon which the Master Mason inscribes the designs by which the Craft are to be directed in their labors. The trestle is a framework for a table - in Scotch, trest; the Trestle-Board is the board placed for convenience of drawing on that frame. It contains nothing but a few diagrams, usually geometrical figures. The Tracing-Board is a picture formerly drawn on the floor of the Lodge, whence it was called The Floor-Cloth or Carpet. It contains a delineation of the symbols of the Degree to which it belongs. The Trestle-Board is to be found only in the Entered Apprentice's Degree. There is a Tracing-Board in every Degree, from the first to the highest. And, lastly, the Trestle-Board is a symbol; the Tracing-Board is a piece of furniture or picture containing the representation of many symbols.

From its necessary use in Operative Masonry, It is probable that the Trestle-Board was one of the earliest symbols introduced into the Speculative system. It is not, however, mentioned in the Grand Mystery, published in 1724. The Bible is compared to a Tracing-Board, but the Bible is not a collection of symbols, as a Tracing-Board is. A Trestle-Board contains the plan for the construction of a spiritual Temple. This has to do with the rebuilding of Solomon's Temple, i.e., the Third Biblical Temple. Masonry's hidden meanings are found in the Bible.

Notwithstanding, these name changes in the definition, Trestle-Board, Tracing-Board, and back again to Trestle-Board, has not obscured its meaning. It has continued from the earliest part of the eighteenth century to the present day. In Operative Masonry, the Trestle-

Board is of vast importance. It was on such an implement that the genius of the ancient Masters worked out those problems of architecture that have reflected an unfading luster on their skill. The Trestle-Board was the cradle that nursed the infancy of such mighty monuments as the cathedrals of Strasbourg and Cologne; and as they advanced in stature, the Trestle board became the guardian spirit that directed their growth. Often those old Builders pondered by the midnight lamp upon their Trestle-Board, working out its designs with consummate taste and knowledge - here springing an arch, and turning an angle there, until the embryo edifice stood forth in all the wisdom, strength, and beauty of the Master's art.

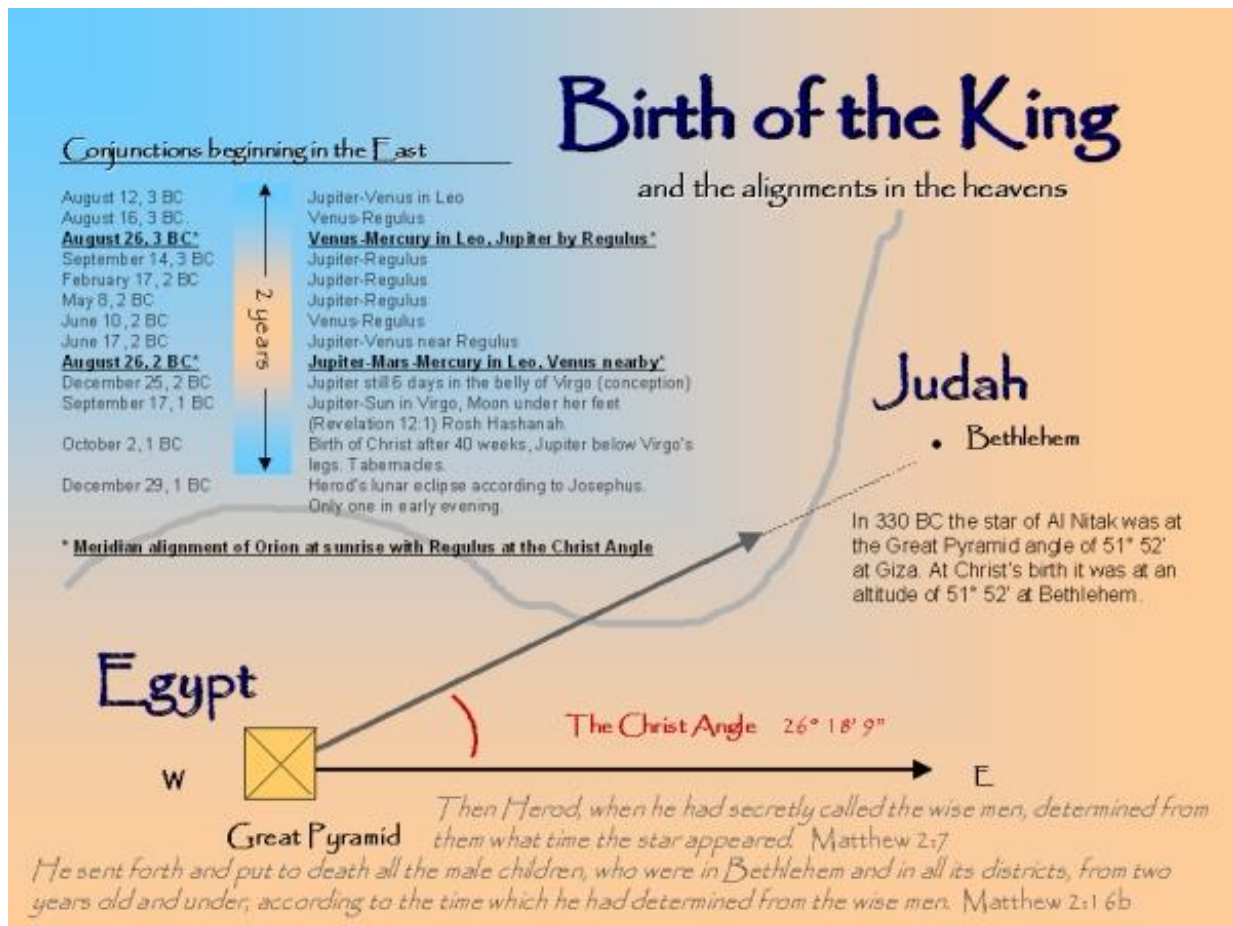

“What then, is its true Symbolism in Speculative Freemasonry? To construct his earthly Temple, the Operative Mason followed the architectural designs laid down on the Trestle-Board, or book of plans of the architect. By these he hewed and squared his materials; by these he raised his walls; by these he constructed his arches; and by these strength and durability, combined with grace and beauty, were bestowed upon the edifice which he was constructing. In the Masonic Ritual, the Speculative Freemason is reminded that, as the Operative Artist erects his temporal building in accordance with the rules and designs laid down on the Trestle-Board of the Master Workman, so should he erect that spiritual building, of which the material is a type, in obedience to the rules and designs, the precepts and commands, laid down by the Grand Architect of the Universe [Lucifer] in those great books of nature and revelation which constitute the spiritual Trestle-Board of every Freemason. The Trestle-Board is then the Symbol of the natural and moral law. Like every other Symbol of the Order, it is universal and tolerant in its application, and while as Christian Freemasons, we cling with unfaltering integrity to the explanation which makes the Scriptures of both Dispensations our Trestle-Board, we permit our Jewish and Mohammedan Brethren to content themselves with the books of the Old Testament or Koran. Freemasonry does not interfere with the peculiar form or development of anyone's religious faith. All that it asks is that the interpretation of the symbol shall be according to what each one supposes to be the revealed will of his creator. But so rigidly exacting is it that the symbol shall be preserved and, in some rational way interpreted, that it peremptorily excludes the atheist from its communion. Because believing in no Supreme Being - no Divine Architect - he must necessarily be without a spiritual Trestle-Board on which the designs of that Being may be inscribed for his direction.”

I have quoted from the famous Freemason Dr. Albert Mackey's own words from the 'Mackey's Encyclopedia of Freemasonry'. In conclusion, the above Trestle-Board is their great plan for the New World Order to be brought to the forefront in 2016/2017, i.e., a "One World Government, a One World Economic System, and a One World Religion". Dr. Tom Horn shared the meaning of the Freemasonic Trestle- Board drawing in his book 'Zenith 2016'.

What most people do not know or understand is that Freemasonry was infiltrated by the Jesuits around 1700, and since then has served the Jesuit-controlled Papal Rome agenda. Various popes have condemned Freemasonry and others have embraced it secretly as well as openly over the past several centuries. Rome commissioned the House of Rothschild in 1823/24 to be their "Fiduciary Agent" (like having power of attorney) ever since. The mistake today is that various groups are blamed for the world's problems. The Jesuit-controlled Vatican

is skilled at deflecting criticism to a whole host of groups, such as the Jews, the Masons, the Protestants, the Muslims, etc. Canadian web host Henry Makow, regularly and constantly blames the Kabbalist Jews, Judaism in general, and yet rarely if ever, brings attention to the Jesuit-controlled Vatican. He rarely ever connects the Roman Catholic Institution with the ill and ills of the world. Henry Makow deflects anti-Catholic rhetoric towards the Jews!

I wasn't planning to prepare an exploration into the history of all this other than to note the Freemasons are waiting for the Pre-Tribulation Rapture to take the Christians off this planet for re-education. This is their propaganda explanation for the disappearance of millions during the Rapture. Every Masonic Lodge in the world is subservient to the "Order of the Garter". Prince Charles of Wales is the one whom all Masons serve, they, in turn, are subservient to the Jesuit "Black Pope", who is the man behind the "White Pope", Francis, himself is a Jesuit.

One of the most amazing measurements is the "Christ Angle". In the measurements of the Great Pyramid complex, one of the most important numbers is the "Christ Angle" of 26-degrees, 18-minutes, 9-seconds. In the illustration above we are presented with another example of how the Creator connected the Great Pyramid with the birth of the Messiah in Bethlehem of Ephrathah. This is found in the positioning of the Sphinx, which I will discuss in

greater detail in a future segment. The Sphinx has the body of a lion with the face of a woman. It faces due east into the rising morning Sun. The “Christ Angle” is 26-degrees 18-minutes 9-seconds and is also found within the Great Pyramid in a number of places. It clearly reflects Sacred Geometry. By taking a compass and marking off an arc north of center from the Sphinx facing into the Sun, we can strike an angle of 26-degrees 18-minutes 9-seconds and we discover **a line that bisects Bethlehem**. The illustration is from Dan Matson’s book *‘Oracle in Stone’*. This “Christ Angle” is found in a variety of non-visual appearances.

Thus far, we have seen a growing body of evidence which precludes the Great Pyramid as being of human origin, and certainly not from a group of men who lived in mud huts. This is believed to be where the Apostle Paul spent three years and was delivered the Gospel of Grace and Jesus Christ revealed to Paul all of what he would soon face. Even more striking, and not usually noted, is that by striking off an arc south of center from the Sphinx, in the opposite direction, using the same “Christ Angle”, we find that **it bisects the real Mount Sinai**, locally known as Jabal Al Lawz in the land of Midian now known today as Saudi Arabia.

The Great Pyramid is the most accurately aligned structure in existence and faces true north with only 3/60th of a degree of error. Because the position of the North Pole has moved slightly over time the pyramid was most likely exactly aligned at one time. The Great Pyramid complex is made up of three pyramids of different sizes, and these are known as Khufu’s Pyramid, Khafre’s Pyramid, and the smaller Menkaure’s Pyramid. According to Luis Vega’s website *‘Postscripts, Eschatological Studies’* the Pyramids align with what is known as the “Fibonacci spiral”, also known as the “Golden Ratio” or “Golden Spiral”, further proof of a Divine origin. This is a mathematical property found in all of nature, leaf arrangement, flower petals and pineapples. All of these examples illustrate the point that there is nothing random in nature. They clearly reinforce the understanding of a Divine designed pattern. Such evidence is the greatest proof of “Intelligent Design” or a Creator God! Helen Lehman of *“Pillar of Enoch Ministry”* notes in her books, that the Great Pyramid complex mirrors the stars of Orion’s Belt Stars – Al Nitak, Al Ral, and Mintaka. The Belt Stars of Orion’s belt will be at Meridian – directly overhead - on **September 23, 2017**. The Great Pyramid’s smooth Tura limestone casing stones were ordered stripped off by Sultan Hassan when an earthquake occurred in 1378 A.D. They were used to rebuild the mosques of Cairo. Photos exist showing casing stones removed to a height at the 420-foot level. The 144,000 casings stones weighed 5-tons each, and were so perfectly fitted together that one could not see the seams unless they were within a few feet of the pyramid. When I first began my pyramid studies fifteen years ago, I learned an amazing

fact: There are no hieroglyphics, paintings, or inscriptions found in the chambers of the Great Pyramid. There is absolutely nothing in the Great Pyramid to link it with Egypt, Egyptian culture, nothing! This is contrary to all other burial chambers in Egypt which are covered with inscriptions and paintings on the tombs. I have viewed more than thirty-hours of video about the Great Pyramid / Sphinx complex over the past five years, and what I share in this series is not part of the Pyramid lore in Pyramid videos, or documentaries. The Great Pyramid is an Alter to the Lord just as Isaiah 19:19-20 states.

The mathematical formulas and principles are irrefutable proof pointing to an advanced knowledge of a Supernatural Designer of the Great Pyramid. The evidence far and away suggests the efforts of the general superintendent Enoch and Seth as the ones who oversaw the construction of the Great Pyramid. These notations are too significant to ignore. The linear measurements, the mathematical properties of **Pi π** and **Phi ϕ** are so common within the Great Pyramid that one is left with only one conclusion: this was designed as a Silent Witness and a testament to its Designer.

Jim and Penny Caldwell lived in Saudi Arabia when Jim was employed by Arabian-Amoco Oil Corporation. On their time off and on vacations, they explored the land of Midian (Saudi Arabia). A DVD entitled the *"God of the Mountain"* and a book by the same title is their pinnacle result of their travels and experiences while living in Saudi Arabia. They were able to document and produce this video of the real Mount Sinai and the route the Israelite's might have experienced as they wandered all over the land of Midian. Now known as Saudi Arabia, the DVD presents remarkable video images of the terrain in that part of the world for all to enjoy as armchair participants in their memorable journey. I have viewed their video recordings numerous times which traces the Israelites journey to the Promised Land. Their video is a must view and corroborates the underwater exploration by such researchers as the late Ron Wyatt, and Dr. Lennart Moller, author of *'The Exodus Case'*.

Dr. Moller is a medical oncology doctor at the prestigious Karolinska Institute in Stockholm, Sweden. Using his vacation time, and the Bible, he traced the Exodus journey to the real location of the crossing of the Red Sea at a spot called *"Yom Suph"* where the Israelites crossed on dry ground to the land of Midian in Saudi Arabia. It is at *"Yom Suph"* where is found a land-bridge, 260-meters below the surface of the Red Sea between Egypt and Saudi Arabia. This land bridge is approximately 11-miles across and a half mile wide. On the north side of the land bridge, the depth of the Red Sea drops off to depths of 8,000 feet. To the south, the Red Sea has a depth in excess of 10,000 feet. If you didn't recognize it, 260-meters beneath the surface of the Red Sea is still over 850-feet deep. This coupled with what was lying below on the land-bridge itself, the evidence clearly supports the Biblical narrative in Exodus 14 of a miraculous event, but that is not the focus of this study, as fascinating as it may be.

In the next segment, we will look at four reasons for the Great Pyramid's existence. From all the evidence presented thus far, the logical conclusion can unequivocally be drawn that the Great Pyramid was built under Divine inspiration. To ask why it was built, Isaiah 19:19-

20 explains: It was to be “a witness”. The Bible tells us that evidence of “two witnesses” shall establish a matter. Further, it notes that evidence from “three witnesses” establishes the truth. Scripture makes this clear in no fewer than **9X times** in the Bible. We do, in fact, have a “Three-Fold Witnesses” offering testimony for the Creator’s direct involvement with: The Great Pyramid, the Mazzaroth, and the Written Word of God.

In the next segment, we will examine the implied reasons why it was built. Contrary to the strange teachings floating around today, the facts and evidence supporting the Biblical World View about its very existence cannot be hidden any longer. This “Three-Fold” Witness offers solid proof that we are indeed in the “**Season of the Rapture**”. In the following segment, we will transition to the next of the three witnesses.

There are many more “dots to connect” in this astonishing “Three-Fold” witness to revealing the “**Season of the Rapture**”. I trust that it will enrich your faith, confidence, and trust in the God who loves us. He is about to call us up hither shortly. This will help erase any doubt that you might have wavered even a bit. He is our Blessed Hope!
