

“The Truth Shall Set You Free”

Part 13

In a previous segment, the “*Secret Instructions of the Jesuits*” was shared. In this segment readers will read the oath that Jesuits take when they become full Jesuits in the service of Rome. Do not be misled by anyone telling you that this is not the oath taken by Jesuits when a Jesuit is promoted from the lower ranks from is recorded in the Congressional Record of the United States Congress. Dated February 15, 1913, it is found on pages 3215 and 3216 of the United States Congressional Record. After reading this document the “*Secret Instructions of the Jesuit*”, one can see with absolute certainty that the Jesuits are the vilest organization in the world. As to why the Jesuits have been expelled by at least 83 cities, states, and sovereign nations is self-explanatory.

Extreme Oath of the Jesuits

"When a Jesuit of the minor rank is to be elevated to command, he is conducted into the Chapel of the Convent of the Order, where there are only three others present, the principal or Superior standing in front of the altar. On either side stands a monk, one of whom holds a banner of yellow and white, which are the Papal colors, and the other a black banner with a dagger and red cross above a skull and cross-bones, with the word INRI, and below them the words IUSTUM, NECAR, REGES, IMPIOUS. The meaning of which is: It is just to exterminate or annihilate impious or heretical Kings, Governments, or Rulers. Upon the floor is a red cross at which the postulant or candidate kneels. The Superior hands him a small black crucifix, which he takes in his left hand and presses to his heart, and the Superior at the same time presents to him a dagger, which he grasps by the blade and holds the point against his heart, the Superior still holding it by the hilt, and thus addresses the postulant:"

Superior:

My son, heretofore you have been taught to act the dissembler: among Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren; to believe no man, to trust no man. Among the Reformers, to be a reformer; among the Huguenots, to be a Huguenot; among the Calvinists, to be a Calvinist; among other Protestants, generally to be a Protestant, and obtaining their confidence, to seek even to preach from their pulpits, and to denounce with all the vehemence in your nature our Holy Religion and the Pope; and even to descend so low as to become a Jew among Jews, that you might be enabled to gather together all information for the benefit of your Order as a faithful soldier of the Pope.

You have been taught to insidiously plant the seeds of jealousy and hatred between communities, provinces, states that were at peace, and incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in countries that were independent and prosperous, cultivating the arts and the sciences and enjoying the

blessings of peace. To take sides with the combatants and to act secretly with your brother Jesuit, who might be engaged on the other side, but openly opposed to that with which you might be connected, only that the Church might be the gainer in the end, in the conditions fixed in the treaties for peace and that the end justifies the means.

You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source; to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliaments and legislatures, and the judiciaries and councils of state, and to be all things to all men, for the Pope's sake, whose servants we are unto death.

You have received all your instructions heretofore as a novice, a neophyte, and have served as co-adjurer, confessor and priest, but you have not yet been invested with all that is necessary to command in the Army of Loyola in the service of the Pope. You must serve the proper time as the instrument and executioner as directed by your superiors; for none can command here who has not consecrated his labors with the blood of the heretic; for "without the shedding of blood no man can be saved." Therefore, to fit yourself for your work and make your own salvation sure, you will, in addition to your former oath of obedience to your order and allegiance to the Pope, repeat after me---

The Extreme Oath of the Jesuits:

"1, _ now, in the presence of Almighty *God*, the Blessed Virgin Mary, the blessed Michael the Archangel, the blessed St. John the Baptist, the holy Apostles St. Peter and St. Paul and all the saints and sacred hosts of heaven, and to you, my ghostly father, the Superior General of the Society of Jesus, founded by St. Ignatius Loyola in the Pontificate of Paul the Third, and continued to the present, do by the womb of the virgin, the matrix of *God*, and the rod of Jesus Christ, declare and swear, that his holiness the Pope is Christ's Vice-regent and is the true and only head of the Catholic or Universal Church throughout the earth; and that by virtue of the keys of binding and loosing, given to his Holiness by my Savior, Jesus Christ, he hath power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred confirmation and that they may safely be destroyed. Therefore, to the utmost of my power I shall and will defend this doctrine of his Holiness' right and custom against all usurpers of the heretical or Protestant authority whatever, especially the Lutheran of Germany, Holland, Denmark, Sweden, Norway, and the now pretended authority and churches of England and Scotland, and branches of the same now established in Ireland and on the Continent of America and elsewhere; and all adherents in regard that they be usurped and heretical, opposing the sacred Mother Church of Rome. I do now renounce and disown any allegiance as due to any heretical king, prince or state named Protestants or Liberals, or obedience to any of the laws, magistrates or officers.

I do further declare that the doctrine of the churches of England and Scotland, of the Calvinists, Huguenots and others of the name Protestants or Liberals to be damnable and they themselves damned who will not forsake the same.

I do further declare, that I will help, assist, and advise all or any of his Holiness' agents in any place wherever I shall be, in Switzerland, Germany, Holland, Denmark, Sweden, Norway, England, Ireland or America, or in any other Kingdom or territory I shall come to, and do my uttermost to extirpate the heretical Protestants or Liberals' doctrines and to destroy all their pretended powers, regal or otherwise.

I do further promise and declare, that notwithstanding I am dispensed with, to assume my religion heretical, for the propaganda of the Mother Church's interest, to keep secret and private all her agents' counsels from time to time, as they may entrust me and not to divulge, directly or indirectly, by word, writing or circumstance whatever; but to execute all that shall be proposed, given in charge or discovered unto me, by you, my ghostly father, or any of this sacred covenant.

I do further promise and declare, that I will have no opinion or will of my own, or any mental reservation whatever, even as a corpse or cadaver (*perinde ac cadaver*), but will unhesitatingly obey each and every command that I may receive from my superiors in the Militia of the Pope and of Jesus Christ.

That I may go to any part of the world withersoever I may be sent, to the frozen regions of the North, the burning sands of the desert of Africa, or the jungles of India, to the centers of civilization of Europe, or to the wild haunts of the barbarous savages of America, without murmuring or repining, and will be submissive in all things whatsoever communicated to me. I furthermore promise and declare that I will, when opportunity present, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus.

In confirmation of which, I hereby dedicate my life, my soul and all my corporal powers, and with this dagger which I now receive, I will subscribe my name written in my own blood, in testimony thereof; and should I prove false or weaken in my determination, may my brethren and fellow soldiers of the Militia of the Pope cut off my hands and my feet, and my throat from ear to ear, my belly opened and sulphur burned therein, with all the punishment that can be inflicted upon me on earth and my soul be tortured by demons in an eternal hell forever!

All of which, I, __, do swear by the Blessed Trinity and blessed Sacraments, which I am now to receive, to perform and on my part to keep inviolable; and do call all the heavenly and glorious host of heaven to witness the blessed Sacrament of the Eucharist, and witness the same further with my name written and with the point of this dagger dipped in my own blood and sealed in the face of this holy covenant."

(He receives the wafer from the Superior and writes his name with the point of his dagger dipped in his own blood taken from over his heart.)

Superior:

"You will now rise to your feet and I will instruct you in the Catechism necessary to make yourself known to any member of the Society of Jesus belonging to this rank.

In the first place, you, as a Brother Jesuit, will with another mutually make the ordinary sign of the cross as any ordinary Roman Catholic would; then one cross his wrists, the palms of his hands open, and the other in answer crosses his feet, one above the other; the first points with forefinger of the right hand to the center of the palm of the left, the other with the forefinger of the left hand points to the center of the palm of the right; the first then with his right hand makes a circle around his head, touching it; the other then with the forefinger of his left hand touches the left side of his body just below his heart; the first then with his right hand draws it across the throat of the other, and the latter then with a dagger down the stomach and abdomen of the first. The first then says *Iustum*; and the other answers *Necar*; the first *Reges*. The other answers *Impious*." (The meaning of which has already been explained.) "The first will then present a small piece of paper folded in a peculiar manner, four times, which the other will cut longitudinally and on opening the name *Jesu* will be found written upon the head and arms of a cross three times. You will then give and receive with him the following questions and answers:

Question — From whither do you come?

Answer — The Holy faith.

Q. — Whom do you serve?

A. — The Holy Father at Rome, the Pope, and the Roman Catholic Church Universal throughout the world.

Q. — Who commands you?

A. — The Successor of St. Ignatius Loyola, the founder of the Society of Jesus or the Soldiers of Jesus Christ.

Q. — Who received you?

A. — A venerable man in white hair.

Q. — How?

A. —With a naked dagger, I kneeling upon the cross beneath the banners of the Pope and of our sacred order.

Q. —Did you take an oath?

A. —I did, to destroy heretics and their governments and rulers, and to spare neither age, sex nor condition. To be as a corpse without any opinion or will of my own, but to implicitly obey my Superiors in all things without hesitation of murmuring.

Q. —Will you do that?

A. —I will.

Q. —How do you travel?

A. —In the bark of Peter the fisherman.

Q. —Whither do you travel?

A. —To the four quarters of the globe.

Q. —For what purpose?

A. —To obey the orders of my general and Superiors and execute the will of the Pope and faithfully fulfill the conditions of my oaths.

Q. —Go ye, then, into all the world and take possession of all lands in the name of the Pope. He who will not accept him as the Vicar of Jesus and his Vice-regent on earth, let him be accursed and exterminated."

Pope and Patriarch Teochist

May 8, 1999. — Pope met with *Orthodox* Patriarch Teochist in Romania. This *Orthodox* Patriarch is your typical Jesuit in disguise. . . . While the Vatican is bombing his brothers . . . he is urging unity with Rome!!!

Author's Notes:

President Clinton is a graduate of Jesuit Georgetown University in Wash., D.C. We don't know if he took this oath but he manifests all the characteristics of a well-trained Jesuit.

This oath is taken from the book '*Subterranean Rome*' by Carlos Didier, translated from the French and published in New York in 1843. Dr. Alberto Rivera escaped from the Jesuit Order in 1967, and he describes his Jesuit oath in exactly the same way as it appears in this book. Semper idem: always the same.

The Jesuit Oath of Induction is also recorded in the Congressional Record of the U.S.A. (House Bill 1523, Contested election case of Eugene C. Bonniwell, against Thos. S. Butler, Feb. 15, 1913, pp. 3215-3216).

Few people have since matched Ignatius Loyola's zeal, his discipline or his calculating cruelty. Few people apart from Hitler, Mussolini, Marx, and Stalin all good students of the Jesuits. This Zealot Loyola, was described by the police records of his home town as: "Violent, vindictive and dangerous." His philosophy of the utility of violence and Machiavellian diplomacy was expressly incorporated into the "Constitution" and the "Extreme Oath" he penned for his Order.

Yet, it is a little-known fact that Hitler, Mussolini, Marx, and Stalin were all trained by the Jesuits. All these men would later become the vassals of the school of Loyola, after having been under the influence of the Jesuits. Even Kurt Heinrich Himmler (head of the Nazi SS) and Joseph Goebbels (Hitler's official Minister of Propaganda, 1933-1943, were both Jesuit priests, in full communion with the Roman Catholic Church!

The Jesuits and the Vatican were directly involved in the beginning of World Wars I and II, as well as the Communist Revolution. Everything that I have shared in this part is verified in the book '*Codeword Barbelon*' by P.D. Stuart, published in 2006. My personal library contains a couple hundred books going back to the late 18th century - all exposing the Jesuits.

Hitler remained in full communion with the Roman Catholic Church until he supposedly committed suicide with his wife Eva Braun. The fact is the suicide was a faked murder/suicide ruse. FBI records show that he escaped to Argentina, he and his wife lived into the 1970's. A recent book states that he died in 1984 at the age of 95 incognito in Argentina, in a small town near the Brazil/Bolivian border. To live nearly 40 years since his escape could not have occurred without continued support from Nazi/Roman Catholic Church. Several books have been written in the last fifteen years on Adolf Hitler's fake suicide and final demise. One of the best published works on this topic is '*Gray Wolf*' by Simon Dunstan. Hitler's nickname was "Gray Wolf". Harry Cooper's book, '*Hitler in Argentina*' is another. In addition, Dr. Jerome Corsi recently published a book titled '*Hunting Hitler*'.

Not all Jesuits wear the black robes and clerical collar. There are thousands of Jesuits, known as Jesuit Coadjutors. As Jon Eric Phelps book notes in his major work '*JESUIT ASSASSINS*', graduates of Jesuit colleges and universities are expected to be of service to the 'Black Pope' (Superior-General). Should it be needed, all his provincials for special tasks that may require their assistance, whatever position they might be employed in or if they are in a position to provide intelligence to the Jesuit provincial, they are expected to deliver whatever it is the provincial requires.

Former Bishop Gerard Bouffard of Guatemala said the Vatican is "the real spiritual controller" of the Illuminati and New World Order while the Jesuits function through the Black Pope, Jesuit Gen. Fr. Peter Hans Kolvenbach, actually control the Vatican hierarchy and the

Roman Catholic Church. Bishop Bouffard, who left the Church and is now a born again Christian living in Canada, based his conclusion after working six years as a Vatican priest, assigned the task of passing daily, sensitive correspondence between the Pope and the leaders of the Jesuit Order residing at Borgo Santo Spirito 5 near St. Peter's Square.

"Yes, the man known as the Black Pope controls all major decisions made by the Pope and he in turn controls the Illuminati," said Bishop Bouffard on Greg Szymanski's radio show, The Investigative Journal, at www.gcnlive.com where archives of the startling statements can be heard in their entirety. *"I know this to be true since I worked for years in the Vatican and traveled with Pope John Paul II. The Pope takes his marching orders from the Black Pope as the Jesuits also are the leaders of the New World Order, with the task of infiltrating other religions and governments of the world in order to bring about a one world fascist government and a one world religion based on Satanism and Lucifer. People can't imagine how evil and how much destruction they have caused and will cause while, at the same time using the perfect cover of hiding behind black robes and professing to be men of God."*

Bishop Bouffard's first-hand knowledge of the evil lurking within the hierarchy of the Vatican and particularly the Jesuit Order confirms the testimony of other researchers, including Bill Hughes, author of the shocking books *'The Enemy Unmasked'* and *'The Secret Terrorists'*, as well as preeminent researcher of the Jesuit Order, Eric Jon Phelps, author of *'Vatican Assassins'*.

Besides painting a dark picture of the Black Pope in Rome, Bishop Bouffard claims the evil power of the Jesuits extends throughout the world, including solid infiltration of the U.S. government, the *'Council on Foreign Relations'* (CFR) and major religious organizations. Bishop Bouffard claims the Jesuits act like the perfect chameleons, taking on the identity of,

- Protestants
- Mormons
- Baptists
- Jews

...with the intention of bringing about the downfall of America as well as bringing the country under a one world religion based in Jerusalem and under the control of their leader, Lucifer.

"I know first-hand that the Vatican controls and monitors everything in Israel with the intention of destroying the Jews," said Bishop Bouffard, adding the true purpose of the Jesuit Order is to orchestrate and control all leaders of the world in order to bring about a major worldwide conflict which will eventually destroy America, the Middle East and Israel.

"They destroy everything from within and want to bring about the destruction of the Catholic Church, as well, in order to usher in a one world religion based on Satanism. This is also seen in the way priests worship in the Mass, actually worshipping the dead".

"Also, signs of Satanism are seen in many outward symbols, customs and vestments displayed by the Church," said the Bishop. After his service in Rome, Bishop Bouffard spent time in Africa and Guatemala, rising to a position of power within the Church.

However, with this religious power came affiliation and membership as a Freemason, becoming a *37th Degree Masonic member*, something supposedly frowned upon in the Roman Catholic Church since, according to Canon Law, membership in a Masonic Lodge brings immediate excommunication. His remarks confirm that there are higher degrees than what most people are aware of. This fact has been revealed by others who have escaped the Lodge.

According to Bishop Bouffard, Freemasonry is used by the Church to carry out its secret plans, as many other high-level priest, bishops, cardinals and even popes have joined secret societies along with others in positions of power in other religions and governments, many working together to further the evil Illuminati agenda. A former CIA agent published a book in the late 1990's naming over 150 high-ranking Vatican officials belonging to the Lodge.

His statements back up reports which surfaced in Italian and French newspapers in the early 1980's, reporting more than 150 high level priests with membership in Freemasonry, including the P2 Masonic Lodge and other secret societies.

"I finally was born again and denounced the Catholic Church," said Bishop Bouffard, who now is a practicing Christian following the word of God through the Bible. *"We must always pray for our leaders by openly denouncing evil and exposing the Jesuits for what they really are."* After leaving the Church, Bishop Bouffard made amends and asked the late Jesuit priest, Fr. Alberto Rivera for his forgiveness.

Fr. Rivera was one of the few Jesuit priests with the courage to expose the evil intentions of the Society of Jesus coming forward to reveal how he worked as one of the Jesuit Order's infiltrators in America tasked with the job to infiltrate Protestant and Baptist churches tasked with destroying them from within. *"When I was a bishop and still loyal to the Church, I once wrote a letter denouncing Fr. Rivera and advocating his death,"* said Bishop Bouffard. *"When I realized the truth, I searched out Fr. Rivera and asked his forgiveness. We became good friends and I know he was telling the truth. He was an honest man who also found God."*

"I know the Jesuits tried to change the truth, saying he never was a priest and destroying all evidence backing that up. They have tried to do the same to me, but Fr. Rivera was telling the truth without question. I know that for a fact and even was with him several weeks before his death. He was suffering terribly after being poisoned with acid."

"Like I said, you can't imagine the suffering and destruction that has been caused and will be caused by the Jesuits". In an article entitled, *"Alberto: the Big Brou-haw-haw!"*, an unknown writer who followed Bishop Bouffard's career and his connection with Fr. Rivera had this to say regarding the Vatican's difficulty in trying to cover-up both Rivera and Bouffard's accusations: *"Then there's the corroborating testimony provided by Fr. Gerard Bouffard."*

He was a high-ranking bishop born in Quebec, Canada. He rose from lower levels of his orders to become an assistant for many years to popes such as Paul VI and John Paul II. He converted to Protestantism and claims he was the man who received the order to eliminate Rivera.

In a documentary called *'Unveiling the Mystery Behind Catholic Symbols'*, Bouffard shows a fancy 18-carat gold plated pen containing a special disappearing ink with which the Holy Office authorities sign top secret documents.

He claims, *"With this pen that I am holding, I signed the order to kill Dr. Rivera"*. This reveals some pretty dramatic cloak and dagger stuff. His previous high profile position would make him an easy target for discrediting... Yet the silence is deafening. The Vatican also has its own credibility problems to contend with. From a historical context, Alberto's claims to be a Jesuit working undercover to destroy Protestant churches is not as far flung as it might seem.

The Jesuits were created in 1541 by Ignatius De Loyola for that very purpose (although naturally some Jesuits dispute this).

During their hay day, they engaged in countless dirty tricks, assassinations, and treasonous plots. The Office of the Inquisition was an out-growth of their mission which resulted in the torture and/or murder of millions of innocent people for 'heresy'.

The department (Office of the Inquisition) has since been renamed The Holy Office, but the Jesuits have never bothered with a name change. How much their goals have changed with time is also uncertain. Neither organization is transparent and both serve the interests of the Pope. Bad reputations are not easily forgotten. If Alberto's story is a lie, it's a brilliant piece of fiction with amazing consistency. There are certainly other conspiracies that have been dreamed up which are equally vivid and intricate detail.

The JFK assassination conspiracy and the UFO/Majestic-12 conspiracy come foremost to mind. But these conspiracies were created and improved by hundreds of people over a long period of time, then pieced together and rearranged until they formed a plausible narrative. After twenty plus years of 'public input' and revisions, a semi-'official' version is adopted. If any particular part of it is proven to be false, it morphs into a slightly different version minus the disproven parts. Alberto had none of these resources. His own story came from him alone. It wasn't revised and honed for decades by committee before Chick published it. On the contrary, it was published in its entirety and then sublimated with additional volumes (five more comics) giving more names and dates but no retractions. If he, in fact, 'made it all up', then he certainly deserves a prize for literary genius. Especially as far as his own biographical intrigues are concerned (move over Baron von Munchausen!). After more than twenty years of investigation, all the pope's resources have failed to 'prove' Alberto was a fake.

Of course, Alberto failed to 'prove' his allegations against the Vatican as well. So at best, the contest is still a draw. Maybe future developments will yield something dramatic. But don't count on it. We'll probably never know if Alberto was really 'real' unless the Pope was to come straight out and confess it. (That stands about as much of a chance of happening as a flying saucer landing on the White House lawn.)

Throughout history, the Jesuit Order has been tied together with war and genocide, being formally removed from many countries, including France and England. As many researchers claim the Jesuits are the real spiritual controllers of the New World Order, author Jon Eric Phelps has also called for the Order's banishment in this country. However, with more than 28 major universities from coast to coast, the Order has created a strong political and financial foothold, including secret control of the CFR, control of many banks like Bank of America and the Federal Reserve banking system, making Phelps' call for banishment a difficult if not improbable task.

Richard Bennett, a former Roman Catholic priest notes this important truth: "***A partial list of the successes of the Papacy under Roman Catholic dictators in the twentieth century includes: Adolf Hitler in Germany [see vatican_jesuits_hitler.htm], 1933-1945; Benito Mussolini in Italy, 1922-1943; Francisco Franco in Spain, 1936-1975; Antonio Salazar in Portugal, 1932-1968; Juan Peron in Argentina, 1946-1955; Ante Pavelic in Croatia [see croatiatoc.htm], 1941-1945; and Engelbert Dollfuss and Kurt von Schuschnigg in Austria, 1932-1934. The Vatican's legal agreement with those nations is well known; few, however, see the Nazism of Germany and the Fascism of Italy, Spain, Portugal, Croatia, and Latin America as consequences of the Papacy's economic and social teachings, and legal agreements between the Vatican and these nations. The Crusades and the 605 years of the Inquisition have stopped, but the power of the Papacy to influence and to control governments, social, economic, political life and the destinies of peoples, has continued.***" [see church_and_state.htm].

The Vatican has issued a little-known booklet for their private eyes only called 'Project Vatican.' The internal document is a blueprint for the "restoration of the global kingdom of Jesus Christ in the third millennium." Contained within the booklet is also the Vatican's plan for the domination of America, listing their goals and true evil purposes. Although the booklet has been kept from prying eyes, Brother R.G. Stair of *The Overcomer Ministry* has obtained a copy. The document was forwarded to Stair by Brother Mark Hodgson in October 2006.

"This is a revealing document of the Vatican's true purposes," said Brother Stair on his website. "Project Vatican is dedicated to the restoration of the Global Kingdom of Jesus Christ in the third millennium." The Vatican blueprint of world domination has a five-pronged approach, including:

1. The Jesuit infiltration of the English colonies on the North American continent
2. Jesuit control of Christian schools and universities
3. Roman Catholic Control exercised through Vatican operatives in the United States military, judiciary and media

4. The weakening of the U.S. military, both in strength and resolve, in preparation for the Vatican-led One World Government
5. Total control of all institutions and resources on earth, including political, military, economic, educational systems for the purpose of ensuring global peace, prosperity and order

“Phase 1 through Phase IV have taken 523 years to complete and at the dawn of the third millennium is poised to launch Phase V. This will necessitate cooperation of the citizens of every nation on the planet on a massive scale and in previously untested numbers,” said the Vatican writers’ introduction to Project Vatican. The writers of the 18-page booklet dedicated their efforts to Phase V, saying strategies have been in full effect albeit for varying lengths of time.

Further, they claimed the execution of their first strategy of Phase V began more than 150 years ago, the strategy being listed as, *“Devotion to the Sacred Heart of Jesus and to the Immaculate Heart of Mary through the perpetuation of visions, miracles and revelations.”* Other strategies under the *Vatican’s Phase V* for world domination include:

- Dilution of the eschatological models of Biblical prophesy.
- The alignment of the homosexual agenda with religious and racial equality, guaranteeing a support base sufficient in number to Biblical Christian fundamentalism into the category of “hate speech.”

In the core section of this point, Vatican writers reveal how they plan to obtain loyalty to the Pope, saying, *“The Protestants’ lack of a governing authority has resulted in a sheep-like obedience to civil governments. Such social compliance, coupled with capitalistic greed has made Christian fundamentalists extremely vulnerable to social engineering.”*

- International monopolistic control of all financial institutions and transactions. This began January 1, 1993 with the creation of the *European Roman Empire (ERE)*. Visa Corporation is poised to label every citizen with identifying barcode technology.

Regarding the global financial takeover and VISA, Arctic Beacon reader [Greg Colon](#) added:

“Brethren are you aware about the Visa card? Info source Project: Vatican”

- VI - Roman numeral = 6
- S - Egyptian symbol = 6 = we perish = anyone who takes the mark on hand or forehead
- A - Sanskrit = 6

“There is a long story to how this info originally came into my hands. What happened was one of the residents on my property asked me to hang a picture for her but it had to be on my time not the company’s. She showed me a picture of what is known in Catholic

circles as the sacred heart of Jesus and Mary. She was told that she would have info in black and white in her hands by Monday explaining that it is the heart of Baal not Jesus."

"This happened on Friday afternoon and that night by the leading of the Holy Spirit according to Psalm 32: 8 the information on Project: Vatican was in my hands. The original source is not available any longer. This one was just furnished by the Holy Spirit. We have to lift Jesus even higher in these last days for he will draw all men unto himself. 888 = Jesus, greater is he that is in me than he that is in the world = 666. This is a short version of the incident but it needs to be shared now."

- The global Eucharistic community, meaning with rampant materialism, environmental destruction and military instability of the capitalist systems, the Vatican backed *Roman Catholic Ecumenical Assemblies (RCEA)* will be in the position to compel international compliance to Eucharistic adoration and communion... The *Global Eucharistic Community (GEC)* was formally invoked by the Vatican on Dec. 31, 1999, which will preside over the WTO, the GEC and RCEA.

The last section tells Vatican loyalists what they can do in order to speed-up Rome's plans, adding, *"Attend non-Catholic churches that are not yet RCEA affiliates for the purpose of encouraging their ministries to join the RCEA. Make audio recordings of their responses and deliver these recordings to your RCEA representative. Report all statements by non-Catholics of a racially-biased, homophobic or anti Catholic nature to your RCEA representative."*

Since his election as pope, Francis has, sounded like he was a pro-Islamic advocate, and when you understand the three major reasons that Saint Augustine became the father of Islam you will realize what is taking place. While the world is fast asleep the attempted to conquer Judeo-Christianity by the Roman Catholic Institution moves forward. Pope Francis said he would not label Islam as "terrorist" because that would be unfair and not true, but in a church in Poland, he implored God to protect people from the "devastating wave" of terrorism in many parts of the world.

Francis said, *"We must think about what Pope Benedict said - 'It's the epoch of sin against God the Creator',"* declaring present conflicts and massacres add up to WWII.

When asked why he did not describe a priest's murder and other attacks as Islamic terrorism, Francis replied, *"It's not right to identify Islam with violence. If I speak of Islamic violence, then I have to speak of Catholic violence."*

Francis also said recently that, *"Killing in God's name is satanic,"* which is what most Islamic terrorists seem to do. All his statements concerning Islam are self-

patronizing and written such to avoid his control of the dialogue he shares with the Islamic world.

One has to read George Friedman's *'Europe's Long War with Islam'* to get some perspective on whether Islam is a religion of peace or war. *"Any discussion of Islamist terrorism in Europe and the refugee crisis has to be placed in a broader historical context."* It would seem that a brief review of Islamic history would show that whenever Islam is dominating there is little peace. "Islam is not a peaceful religion".

"It is certainly not, as some ill-informed people say, solely a religion of war. There are many peaceful verses in the Quran which - luckily for us - most Muslims live by. But it is by no means only a religion of peace... this is the verifiable truth based on the texts," writes Douglas Murray in the January 16, 2015 issue of *The Spectator*. *"Not too many people are losing their heads to fanatics screaming praises to Jesus or Moses (or Buddha and the many Hindu gods either) as they are to shouts of 'Allah Akbar!'"*

"That there are so many Islamic terrorist groups composed of fundamentalists of the Muslim faith is reasonable proof that there is something different and dangerous about Islam," writes 'The Religion of Peace'. Sorry to hear that the Pope is not interested in speaking about Catholic violence, which there has been no shortage of in the Church's 2000-year history.

Today the concern is with Islamic violence after the centuries it took for the Church to turn to a less violent path. However, the Pope is right to say it inappropriate to talk about one without the other. What lies behind those words is the larger hidden agenda of the Roman Catholic Institution's plan to destroy the Judeo-Christian world.

Rome has a terrible history concerning those that oppose the Vatican. The Church does indeed have a nasty history. An event I remember from the Church's nasty history had to do with the genocide of the Cathars. There is still violence in the Church but it has subsided considerably.

However, some people feel that, "Organized religion is nothing less than organized crime - aided and abetted by *the gods of the day*." Jesuits are notorious 'word-smiths'. Those seeking to lead the world into believing the Antichrist will be a Muslim. Consequently, so much of the church today is unprepared for the real Roman Antichrist. They fail to recognize that Daniel 7 describes the fourth beast -(Daniel 7:7), which is none other than Rome. But I deal with this topic in greater detail in my forthcoming series on the Antichrist "Beast" in my forthcoming series on the System".

This sign marks the tower at Carcassonne where the Medieval Inquisition operated.

On July 21, 1209 A.D., under the command of the papal legate, Arnaud-Amaury, the Pope's soldiers started to besiege a city, calling on the Catholics within to come out, and demanding that the Cathars surrender. Both groups refused. The entire population was slaughtered and the city burned to the ground. Contemporary sources give estimates of the number of dead ranging between 15,000 and 20,000.

Another Inquisition was established in 1234 A.D. to uproot the remaining Cathars. Operating in the south at Toulouse, it succeeded in crushing Catharism as a popular movement and driving its remaining adherents underground. Punishments for Cathars who refused to recant ranged from cross wearing and pilgrimage to imprisonment and burning.

I hope this makes the Pope happy meaning that it is now fair to talk about *Islam as a religion of war and conquest*. However, before we do that it is a good time to talk directly about the Pope and what he is doing. This does not depend on whether you agree or disagree about Islam's peaceful intent.

What is the Pope Doing?

One has to wonder:

- Why the Pope has not commented on *the rape epidemic in Europe*?
- Why the Pope has not become alarmed that as women were being molested in mass last New Year's Eve that it was taking place in front of a great cathedral?

- Why he has not said anything about the fact that the cathedral itself was under attack for hours by fireworks on that same night, disturbing all inside?

If you want to humble an empire it makes sense to maim its cathedrals. They are symbols of its faith, and when they crumple and burn, it tells us we are not so powerful and we can't be safe. The Catholic Church is an integral part of Western Civilization yet it now seems to be committed to the destruction of the West. Islam has invaded the West before and is doing so again but this time Rome is asleep at the switch, if not complicit in its invasion. So the right has to wake itself up and what will come will not be pretty. It already is ugly because of present political forces and an elite hell bent on shaping the world to their designs.

It is not too difficult to see that the Pope is working for the global agenda, for one world government and even one world religion. I first detected this when he joined the global warming banner when the truth is that we are living in a world that is about to turn radically colder. This is an elite run operation to try to fool the world about the weather with pro-Islamic Obama and Clinton all aboard.

For the Russians, they would be happy for it to warm up. It would be wonderful news for it would vastly increase their agriculture but neither Putin nor Russian astrophysics believe in the farce, but the Pope does. Neither do Americans for nearly three-quarters of them don't trust that there is a large "scientific consensus" amongst climate scientists on *human behavior being the cause of climate change*, according to an in-depth survey on "the politics of climate" released by *Pew Research Center* in early October 2016.

The globalization agenda is enough to make any person into a card carrying, right wing nationalist whose first agenda is to protect the women and children and the rights of people within the context of a national instead of international background. We have a liberal correct, political posture that does not allow the public or media to become alarmed even when women are attacked in mass. Rape has increased 133% in 2016 in Germany alone.

All one needs to do is look at the new form of Christianity forming in Sweden to see how religion and politics is playing itself out.

Or see how far society is deteriorating in the United States when we read that teenagers in America resorting to sex work because they cannot afford food. *"Today Christians in particular, perhaps even more than at the time of the first martyrs, in some places experience discrimination and persecution for the mere fact of professing their faith,"* said Pope Francis. At the same time, he denounced the Islamic Turks in the mass killing of Armenians a century ago by Ottoman forces as "genocide."

Francis has made clear that the refugee crisis facing Europe, the Middle East and the Americas is the priority of his pontificate and has vowed to fight what he calls today's "globalization of indifference." The rising right wing nationalist parties in Europe and the United States are rising exactly because they are not indifferent. They are standing up for what the

Pope is failing to care about and that is the rape of their women and the invasion (by invitation) of people with an alien religion, culture and law that is totally incompatible with Western culture or law.

The former Pope badly soured the relationship between the Church and Islam when the now-retired Benedict made a September 2006 speech in which he was perceived to have *linked Islam to violence*, sparking deadly protests in several countries and reprisal attacks on Christians thus sustaining Benedict's views.

Recently, the Pope has sounded more like a bankster than a respected religious figure. The true colors of this Pope were revealed this past September. In September of 2015, the Pope announced the orderly transition of the surrender of the national sovereignty of all nations which will culminate in world government.

In other words, this Pope who says he endorses perversions repugnant to true Bible-believing Catholics, is allegedly going to announce the formation of the New World Order and that all 1 billion plus Catholics should be willing to submit to the New World Order as is their duty as per the bastardized interpretation of Romans 13. Is the Pope Mentally Ill or merely a Servant of Satan?

Christianity and Islam do not worship the same God!

Quoting an article by Dave Hodges of "Common Sense News" from 2015:

"I have long thought that this Pope might be suffering from early onset dementia as he recently said he would baptize extraterrestrials as they would visit the Earth. This is the same Pope who has stated that Islam and Christianity are basically one and the same religion. This false

doctrine sets the stage for the official state sponsored (United Nations) approved religion which we commonly call Gaia which is about as pagan of a religion that there is.

When the Pope addressed the United Nations on September 25th, of 2016 he endorsed Agenda 21 and its sustainability concepts. Sustainability seeks to reduce at least 80% of all energy use. Some are even calling for the total obliteration of the private use of energy. Sustainability walks hand in glove with the coming currency collapse. If the people can be brainwashed to accept sustainability concepts, the reduction of the currency by astronomical amounts will be more easily accepted by the masses.

And if the Pope is telling people that this is what God would want, then it must be OK. The implications of the Pope's UN Speech are frightening to say the least. Last year, when the IMF devalued the Venezuela currency by 61%, the event was barely noticed.

The event came like a thief in the night. For the most part, the people of Venezuela accepted their fate. I believe the same is about to happen here. When the Pope basically calls for the establishment of world government, a currency collapse will hasten the event. It almost as if the Venezuelan situation was an IMF Beta test for what is coming here. When I stop and take a closer look at the things that this Pope has said and compare it to a whole host of corresponding events, it is difficult to not be concerned about what is coming.

Especially disturbing is the fact that the Pope's UN speech will be followed by what many are saying will be a wholesale devaluation of every national currency in the conversion to a global currency which is reportedly going to be digital.

The off-the-record analysis of this supposed coming devaluation of the dollar will mean for every dollar one has in the bank, that dollar will lose 90% of its buying power in the conversion when it takes place in October.

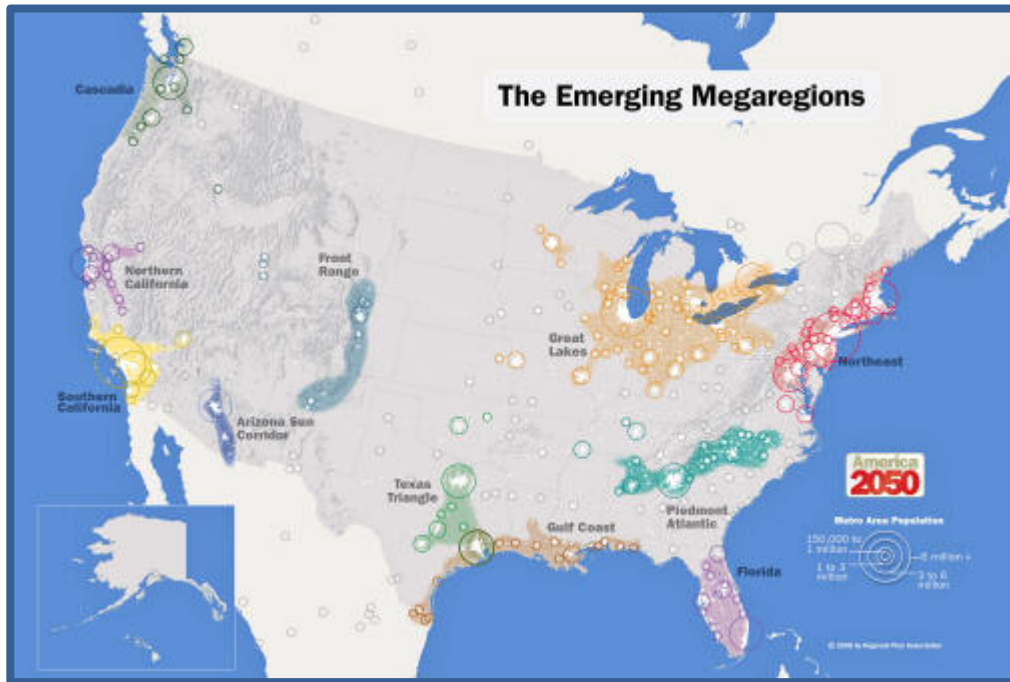

What will a currency devaluation mean to you? If this conversion takes place, most of you will not be able to afford to drive to work, because you will not be able to afford to put gas in your tank. If these conversion rates are anywhere close to being accurate, you won't be paying the present \$3.00 per gallon, you would be paying somewhere around \$30.00 per gallon! Your \$200,000 mortgage would now be a \$2 million dollar mortgage!

Now it makes sense why so many of our home mortgages have been transferred to either the International Monetary Fund or directly to our new landlords, the Chinese government. Where will Americans secure food and other life-sustaining supplies?

All of the above events would force Americans in the short-term into FEMA camps in order to receive the aforementioned life-saving supplies. Remember, the average American family has no savings and only three days of food on hand in their home.

Eventually, Americans would be forced into the "stack and packs" that the globalists talk about in Mike Krulig's "America 2050" derived from his Agenda 21 "Build One America" program."

The map was taken from the "America 2050" website which clearly shows the population redistribution which is planned for by Agenda 21 crowd and in particular, Mike Krulig, Obama's mentor during his early "community service" days.

This is the picture that the globalists do not want you to see as Mike Krulig is advising the President on the America 2050 plan.

Somewhere in my volumes of reference material, I recollect that Mike Krulig, former President Obama's mentor in Chicago is one of two Jesuits responsible for training Obama. I will try to locate it for this series. The Obama

administration, Mike Krulig, and the organization did everything to keep this photo out of the media, and you have to ask, why?

Much has been written about America 2050 in recent days as it is a globalist plan, headed by the Obama administration's, Mike Krulig, the founder of the Agenda 21 population centralization plan known as "*Building One America*". "*Building One America*" is the first step toward the fulfillment of the creation of 11 mega-regions which will contain six million people each. The missing 250 million people in the America 2050 plan, matches the Deagel Report of a similar population reduction for the United States to take place by 2025.

Below this line is a copy of the Deagel Report, dated recently for March 24, 2017. Consider the fact that a strong 'Middle Class' in the United States was the major factor blocking socialization in the world. What has been occurring in the United States since approximately 1970? Everything done since that date has been done to destroy the Middle Class through the exporting of the national manufacturing base. The Rothschild's began to transfer wealth and investment to China in the 1990's, thus making the U.S. the leading debtor nation in the world. Corporations seeking lower costs, and greater profits moved production to Mexico and China. I have been writing about the trending 'Neo-Feudalism' for years reminding them that one day they would find themselves on the level of Greece and Venezuela. There is little difference between Marxist Socialism and Communistic Socialism. The pope would prefer his brand of Socialism, since he would be its religious leader. He does not want competition, even if it is the Orthodox Catholic Church.

How Will 260 Million Americans 'Disappear' In Less Than 8 Years? Deagel Has America Sitting Just Above Venezuela By 2025 With Purchasing Power Of US Dollar Ranked 78th In The World

By Stefan Stanford - All News Pipeline - Live Free Or Die

'The purchasing power of the US dollar will continue to plummet like a corrupt banker wearing cement shoes dropping to the bottom of a river as long as the Federal Reserve keeps printing money, backed by nothing, like it's toilet paper'.

Last updated on March 23rd of 2017, the 'country' page for the United States of America over at Deagel.com seen in the screenshot (Pg. 19) still shows a forecast population for the US for the year 2025 to be 61 million people. Much more than just a 'significant' drop from the 321 million living in America in 2015, we've asked in stories on ANP time and again what they expected to happen to 260 million Americans and where they were going to go in less than 10 years.

While the forecast population drop is shattering, maybe even more doom-portending are the forecast financial numbers outlined by Deagel with a gross domestic product drop from \$18 trillion in 2015, #1 in the world, to a forecast of only \$949 BILLION in 2025, ranked only 11th in the world. The drop in forecast military budget from \$781 billion a year in 2015 to only \$8.2 billion a year in 2025 shows that according to some, President Donald Trump's increased military budget might be a temporary thing.

Meanwhile, with 2025 less than 8 years away, the GDP per capita drop from \$55,855 in 2015 to a forecast of only \$15,517 in 2025 shows us many more Americans will be living in poverty in less than 8 years from now than are here now. What does Deagel know that we don't know? This new story from Zero Hedge reports the 'retail apocalypse' has officially descended upon America as Dave with the X22Report also expands upon in the 1st video. And as we read in the new SQAAlert republished videos, everything happening now geopolitically and financially is tied together quite tightly with Deagel's 2025 forecast which still shows a forthcoming collapse for America despite President Trump.

While Deagel admits their numbers are only a 'forecast', we should keep in mind the sources for their information are the United States government, the CIA, the US Department of State, the US Department of Defense, the World Bank, the European Union, the US Army, the US Navy, the US Marines, the US Air Force, and the US Coast Guard among others.

Many people have asked, what does Deagel.com do? Deagel keeps track of numbers. For example, as seen in the screenshot below, if you want to know how many B-1B Lancer Long Range Attack Aircraft the United States of America had in their possession, we'd go to Deagel which has numbers for everything 'military industrial complex' related. And as we also see, they update their website quite regularly as seen in several March and February 2017 entries. Deagel's data is part of the CIA's handbook. The CIA means the Central Intelligence Agency but has also been dubbed the Catholic Intelligence Agency!

So, with strong ties to the US government and US military as sources, what does Deagel know that we don't know? Besides the other huge drops in population, GDP, and military budget, the Deagel category for Purchasing Power Parity (PPP) tells us exactly what the mainstream media won't: Very difficult times are ahead if Deagel's forecast for 2025 is correct.

In 2015, the United States stood at #16 in the world for PPP at \$55,800. In comparison, the failing socialist nation of Venezuela stood at #89 in PPP at \$16,700.

For 2025, Venezuela is forecast to be #86 in the world at a PPP of \$9,108, a big drop from 2015. The US's forecast PPP for 2025? \$10,345 for a ranking of #78 in the world.

Quite a steep drop when you consider Venezuela's PPP in 2015 was \$6,000+ more than they are forecasting the US's PPP to be in less than 8 years from now! What might happen to cause such a HUGE drop in the US dollar's purchasing power? It's clear to us that Deagel's forecasts show an

America in 2025 in total collapse with the purchasing power of the US dollar worse than what is happening in Venezuela right now. You can see the US in the chart from Deagel below, sitting only 8 spots above Venezuela in Deagel's 2025 PPP forecast. This chart shows the US approaching 3rd world nation status by 2025.

Why is such a huge drop in our PPP forecast for 2025 for the US, dropping from \$55,800 to \$10,345? Of course, the purchasing power of the US dollar will continue to

plummet like a corrupt banker wearing cement shoes dropping to the bottom of a river as long as the Federal Reserve keeps printing money like it's toilet paper. For even the people in Venezuela have recently figured out it's much cheaper to use money there as napkins or toilet paper than actually having to go out and buy the products.

Similar to what happened during the 1930's and the Weimar Republic which printed so much money it became completely worthless, what we are watching unfolding is the globalists long held plans to destroy our sovereignty and nation state by spending us to the point we are now at, with a national debt clock ticking onwards approaching \$20 trillion and a possible hard debt limit ahead of us.

As the SQ-Alert republished below from Dr. Jack warns, bringing down our entire existing system could allow the globalists to bring in their long-sought cashless society and 'mark of the beast' complete control system.

Are there any answers and might 'gold' be the way America has to go? The recent stories from across the world and the internet prove to us that the 1% are preparing for 'the apocalypse', many believing there is no turning back and danger ahead as Erin Elizabeth over at Health Nut News recently reported. Whether North Korea brings global war or what is happening now in Venezuela comes home to America, there's never been a more important time to prepare for possible 'dark times ahead'.

As we hear and read in this story from Infowars, Sweden too is preparing its citizens for war, activating cold war bunkers over fears of a Russian invasion. Interestingly, as we had previously pointed out in this story at ANP back on April 9th of 2015, the nation of Sweden and other Western nations were also showing a substantial forecast population drop by 2025.

Deagel also answered for us in a statement why they forecast America to have 260 million less people by 2025 than there were in 2015, a 'confluence of crisis with devastating results' that leaves America a broken, dying nation. Just what the globalists have been trying to do to our nation all along - neuter us, financially destroy our sovereignty to complete their 'totalitarian new world order'. We'll close here with this brief excerpt of Deagel's explanation with the important previously mentioned SQ-Alert:

There have been many questions about the countries forecast specially the one focusing on the United States of America (USA). They won't be answered one by one but below you can find some explanation, thoughts and reflections. We are going to keep this as short as possible.

The majority of the economic and demographic data used in the making of the forecasts is widely available by institutions such as the CIA, IMF, UN, USG, etc. You can see the most relevant data at every single country's page. There is a tiny part of data coming from a variety of shadow sources such as Internet gurus, unsigned reports and others. But all these sources are from the internet and are of public domain for at least a

minority.

The key element to understand the process that the USA will enter in the upcoming decade is migration. In the past, especially in the 20th century, the key factor that allowed the USA to rise to its colossus status was immigration with the benefits of a demographic expansion supporting the credit expansion and the brain drain from the rest of the world benefiting the States. The collapse of the Western financial system will wipe out the standard of living of its population while ending ponzi schemes such as the stock exchange and the pension funds. The population will be hit so badly by a full array of bubbles and ponzi schemes that the migration engine will start to work in reverse accelerating itself due to ripple effects thus leading to the demise of the States.

This unseen situation for the States will develop itself in a cascade pattern with unprecedented and devastating effects for the economy. Jobs offshoring will surely end with many American Corporations relocating overseas thus becoming foreign Corporations!!!! We see a significant part of the American population migrating to Latin America and Asia while migration to Europe - suffering a similar illness - won't be relevant. Nevertheless the death toll will be horrible. Take into account that the Soviet Union's population was poorer than the Americans nowadays or even then. The ex-Soviets suffered during the following struggle in the 1990s with a significant death toll and the loss of national pride. Might we say "Twice the pride, double the fall"? Nope.

The American standard of living is one of the highest, far more than double of the Soviets while having added a services economy that will be gone along with the financial system. When pensioners see their retirement disappear in front of their eyes and there are no servicing jobs you can imagine what is going to happen next. At least younger people can migrate. Never in human history were so many elders among the population. In past centuries people were lucky to get to their 30s or 40s. The American downfall is set to be far worse than the Soviet Union's one. A confluence of crisis with a devastating result.

DR. JACKS RESPONSE TO MY COMMENTS ON PAYLESS CLOSING STORES!

'Payless To File Bankruptcy As They Plan To Close 500-1000 Stores': SQ-CONSIDER THE OBVIOUS - AS MORE OF THESE STORES GO BANKRUPT AND CLOSE - MERCHANDISE WILL BEGIN DISAPPEARING OFF THE SHELVES, RESULTING IN SEVERE SHORTAGES

Steve,

Great observation—this will be how they will eventually implement the mark here in the US. Eventually in order to buy (amazon) as this and other online places will have the needed items that one needs as there are already shortages of stuff everywhere for example it is very hard to find storable food (mountain house) at the local Walmart or Bass Pro. So you are right as more and more brick and mortar stores go out of business getting what is needed will be harder and harder to find. I needed to get something from Northern Tool and they have a local physical location here in Charlotte however they did not carry it in the store so I had to order it online and I was able to have it delivered to the local store for free to pick-up. I am finding this also to be the case at Walmart. They are having “shortages” that no one seems to notice because they will fill the “empty holes” on the shelves with items so that there are no gaping holes. The last thing they want the sheep to do is to start thinking.

Once the right circumstances hit whether it is the boogy man of NK or Russia, or simply an economic collapse they will “pull” the plug and then when the “solution” (problem, reaction, solution) is provided after all of the people suffer they will flock to take the mark! When I read the Bible and think about how Esau sold his birthright for food - (imagine how hungry he must have been!) something most people here in the US have never experienced (me included) or how the prodigal son was so hungry that he ate the slop that was given to the pigs, it will not take much for people to kill one another in the streets (literally) for food. Then when the “system” comes back up in order to do business (buy and sell -get food) you will have to take the mark—this is why last year it was leaked out that the big banks are all working on some type of block-chain (crypto currency) technology. This will eventually replace the physical currency. So as you have said in the past this is where the physical gold and silver will come into play for bartering on the black market!

Remember the new census is to take place in 2020 - it will take about a year or so to get completed. Why is this interesting? This is interesting due to the fact that by 2025 according to Deagle.com which you have reviewed before the population of the US is supposed to be about 50 million or so down from the 330 million. So this means that by 2020 - there will be some form of census being conducted. This would mean that by 2020 or so the “grid” or some form of it or the stabilization of everything should be back which would mean that something will happen in the next 12 months as those who know have said that it will take about 18-24 months to restore the grid after it is taken down and as Hawk has said many times on his show that 90% of those living within the US will be dead in 12 months. 330 million times 90% leaves 33 million left!

Just some thoughts!

If what has been announced is true, then every individual has only a short time to get their house in order. In my series “The Season of the Rapture” I present my case for the Rapture to take place on/or about the dates of September 20-23rd of 2017 with the Feast of Trumpets, also known as Rosh Hashanah. This would be the greatest event for believers and very may well confirm the Deagel Report.

Conclusion:

The questions asked here are important.

The Pope is at the center of huge forces that are playing themselves out on the world scene. History is already watching but few have an eye for the truth. The Pope is not alone.

President Francois Hollande just said that “Islam could co-exist with secularism”. This is denial of what we have seen in the world when Islam grows to 10% of a nation’s population. In one generation, it will displace and destroy an indigenous population.

The Dalai Lama agrees saying, “Germany cannot become an Arab country”. He says Europe risks losing its identity by taking in too many migrants. “They said that non-Muslims deserve to die; we should have no pity for them. They will burn in hell, anyway,” said one

German mayor. Going on to say, a recent 15-year old immigrant girl said, *"I hate Christians and Jews. I don't know why. I don't have any apparent reason to hate them but I always hear my mom talking badly about them. She hates them too, and this is why I hate them, I guess. Mom has always told me that Muslims are Allah's favorite people."*

"The long-term goal of the Jihad Generation is to destroy Europe through civil war and then build an Islamic society from the ashes..." warns Professor Gilles Kepel, who is a specialist on Islamic and contemporary Arab world. Gilles Kepel claims a growing number of Muslims with poor job prospects are forming a "Jihad Generation" to continue to commit acts of terror across Europe and create the conditions that would see Europe enter into full-blown civil war.

The price of being wrong, mistaking one's enemy for a peaceful friend is extraordinary in terms of the suffering that is invited to visit the women. If the Pope was reasonable what would he be expecting from peaceful Islam?

Typically, Islam will:

- suppress freedom of expression for artists, journalists and writers
- drive Christians from their homes
- stone homosexuals to death
- torture inmates in prisons
- kill innocents simply for wishing to convert to Christianity
- sentence anyone to flogging, prison or death who is even alleged to have said something that might offend Islam

Liberals seem to love Islam that it obliges women to wear veils and live apart; that it glorifies terrorists; that it will ban alcohol and arrest people for expressing unpopular opinions.

Why would liberals be so tolerant of the intolerance of Islam? There is no sanity in the answer... Do we really want to see what happens if the west does not rally itself against invasion and war?

The Catholic Church will not defend the West from Islam but in the end Christians, Jews and Hindus are going to have to stand up or face the continued slaughter and mass rape of their women, cultures and laws.

Even atheists will have to stand because in the eyes of Islam non-believers are an abomination before *Allah*. Homosexuals can cross themselves off the list if Islam has its way so they too will have to rise up.

The Bottom Line

Roman Catholic leaders, then, are very clear in their assessment that the most serious threat to Romanism itself is the Biblical fundamentalist. In his book, 'Report on the Church: Catholicism After Vatican II', Richard P. McBrien states, "**The real challenge to ecumenism that affects Christians at the level of everyday life is that of biblical fundamentalism, embraced now by many thousands of Catholics and ex-Catholics...Biblical fundamentalism may be the single most serious threat to Catholic faith in the United States and in Latin America today...**"

The bottom line is that while the Roman Catholic Church understands very well the position which is held by "biblical fundamentalists", many biblical believers today are totally unaware of who Rome is. The Bible speaks clearly on what Rome is; history fulfills the Bible message. Once Rome has civil power again, history will more than likely be repeated. To look elsewhere for the Man of Sin and the Son of Perdition is not simply to ignore the testimony of Scripture. The ramifications of such error regarding Scripture is to render one dangerously unknowledgeable regarding history and therefore easy prey to deception.
