## Part 20

### The Jesuit Vatican New World Order

My original segment for this particular part was lost in a computer hard-drive crash. My focus was on the historical background of the “Black Nobility”. This obscure group is among the richest and most powerful families in the world. They are largely centered in Europe, a few reside in China, but for few exceptions, live in cities predominantly located in southern Europe. I asked permission to share the research of Wes Penre, host of the web site ‘*Illuminati-news.com*’. His web site is a library of information on what is commonly referred to as the Illuminati. Future segments of this series will contain additional historical background to the illusive “Black Nobility”.

## The Venetian Black Nobility – A History

The Black Nobility ♦ by Wes Penre ♦ [illuminati-news.com](http://illuminati-news.com)

These people earned the title of “Black” nobility from their ruthless lack of scruples. They employed murder, rape, kidnapping, assassination, robbery, and all manner of deceit on a grand scale, brooking no opposition to attaining their objectives. These all have immense wealth and money is power.

The most powerful of the Black Nobility families are located in Italy, Germany, Switzerland, Britain, Holland and Greece in that order. Their roots may be traced back to the Venetian oligarchs, who are of Khazar extraction, and married into these royal houses in the early part of the twelfth century. (Following a great Khazar victory over the Arabs, the future Emperor, Constantine V, married a Khazar princess and their son became Emperor Leo IV, also known as “Leo the Khazar”. The Medeci popes, Pius XII (Eugenio Pacelli), and John Paul II were Khazars. Not all Black Nobility are royal houses, and many of the royal families no longer have kingdoms. According to researcher and author Dr. John Coleman, a “Committee of 300” was established early in the eighteenth century, “although it did not take on its present form until around 1897”, (when China’s opium trade was legalized).

As to the existence of the Committee of 300, documentary proof is not forthcoming, and it may be no more than a convenient phrase to describe certain key players. Writing in the Wiener Press (24 December, 1921), socialist politician and financial adviser to the Rothschild's, Walter Rathenau said, *"Only 300 men, each of whom knows all others govern the fate of Europe. They select their successors from their own entourage. These men have the means in their hands of putting an end to the form of State which they find unreasonable."* Exactly six months after publication, Rathenau was assassinated.

Dr. Coleman's work opens the door to further studies on named members of the ruling elite, particularly in America. The English have a long history and are very aware of their ancestry, whereas certain families of "blue-bloods" in the United States have historic ties with the British through blood and money.

These "noble" families are behind most, if not all, of the so-called pro-environmental movements that are actually intended to curb the population growth of ALL nations. Prince Philip and Prince Charles are the most visible symbols of this movement, and are a true part of this conspiracy to destroy industry and take the world back to a New Dark Age.

Most, if not all, the crowned and uncrowned heads of these dynasties enjoy huge incomes from ground rents. All favor the Global 2000 Report to the President that's calculated to end all industrial progress, and by famine, disease and wars, eliminate the excess population industry supports. All oppose nuclear power that can produce clean cheap electricity, the key to economic development and prosperity in the Third World. They ardently desire a return to the feudal system where they will once again be absolute rulers.

While professing Christianity, the oligarchical families, for the greater part, actually despise it in secret. Masonry provides their religious fulfillment. And without faith, they have no belief in reward or punishment and a world to come. They live for the here and now.

Many of these oligarchies are in the drug and arms trade through well-distanced intermediaries (like so many of the large banks).

In 1815 the Jesuits and their Freemason allies among the crowned heads of Europe held the Congress of Vienna, whereby Swiss neutrality (already sanctioned by the Peace of Westphalia in 1648) was forever guaranteed; and no matter how many wars are provoked in which the common man has to do the fighting, the money of the Nobility in Switzerland should always be free from plunder. It's part of Rothschild's meticulous long-range planning, and why Switzerland exists to this day. But that doesn't mean to say your money would be safe. Some US \$280 billion yearly in flight capital and drug money flows into the Swiss accounts of the Black Nobility.

The place of Freemasonry in the power structure of the elites is quite evident as they carried through Adam Weishaupt's conspiracy to avenge the Jesuits after their abolition in 1773 by short-lived Pope Clement XIV considered to be "immoral and a menace to the Church and the Faith". By launching the French Revolution and directing Napoleon's conquest of Catholic Europe, and by revolts against the church in Mexico and Latin America, they cut-off Vatican income.

Nathan Rothschild's financing of Britain resulted in the defeat of Rome's enemy Napoleon, (as well as being the source of his wealth and influence). Since Gregory XVI conferred a Papal decoration on Kalman Rothschild for loaning the Vatican five million pounds in a period of difficulty, the Rothschild's have been the fiscal agents of the Vatican. With Vatican interests at heart, the Rothschild's extended their financial and political dominion in the United States. The Vatican's interest in the US was clearly revealed in the secret 1822 Treaty of Verona between Austria, France, Prussia, and Russia whereby the Jesuit Order pledged itself as the price of reinstatement to destroy "the works of Satan" it had established in setting-up, by revolution, representative governments such as the

republics and “democracies” of France and the USA, replacing them with the only form of government approved by the church, rule by “divine right”, as declared by the Vatican (Daniel 2:42-43; Revelation 17:12-13).

As Senator Robert Owen pointed out to the U.S. Senate in 1916, the prime target to which the Vatican and the “Holy Alliance” directed the subversive and destructive activities of the Society of Jesus, is the United States, and other republics in the Western hemisphere. This plot, he claimed, was the target at which the Monroe Doctrine was directed. What the Senator did not realize is that the Monroe Doctrine protects the interests of “The City of London”.

The Rothschild-Vatican cabal unsuccessfully attempted to gain control over the power of the purse in the US through the First and Second Bank of the United States. They were established under emergency powers granted to the President by the Constitution, as temporary institutions to tide the country through the periods of financial stress occasioned by the Revolutionary and 1812 Wars. But the aims of the conspirators to establish a banking monopoly were thwarted by the Constitution; Until the FED was enacted in 1913.

It is said the Black Nobility promised a neutral Germany if Soviet Russia allowed East and West Germany to reunite. And that Russia promised to see that all royal houses are restored to the rightful heirs if they decouple Europe from the American Alliance.

Imperial nobility enjoy a more elevated status than the nobilities of the German successor states and, indeed, of the Italian states. The descendant’s titles of the Italian Holy Roman Empire have formed an Association to which all male line descendants of someone ennobled by Imperial Patent is entitled to belong. And the Principality of Liechtenstein has also claimed the ability to confirm a succession to Imperial titles, and has confirmed the right of a Spanish noble man to heir such a title for purposes of the Spanish law requiring the successor state to confirm that the claimant to a particular title is in fact the heir. Thus there is a remaining jurisdiction, even though no Imperial titles have been conferred since 1806.

In 1963, the Holy Roman Empire Association (Associazioni dei Nobili del Sacro Romano Impero) was established to unite male descendants in its membership who are invested with nobility of the Holy Roman Empire. It also includes a number of honorary members.

The Black Nobility belong to the “Committee of 300” that controls the UN. Prince Bernhard of the Netherlands has the power to veto the Vatican’s choice of any pope it selects. This may explain the untimely end to Pope John Paul I’s 33-day pontificate. The Prince has veto power because his family, the Habsburgs, are descended directly from the last Roman emperor. (The Habsburg Frederick III was the last emperor to be crowned in Rome; his great-grandson Charles

V was the last to be crowned by a pope). This is the civil equivalent of the Pope's claimed "apostolic succession" from Saint Peter.

Prince Bernhard is leader of the Black Families and he also claims descent from the House of David through the Merovingian dynasty, a claim that was acknowledged to be valid by the Carolingian dynasty that supplanted them, by other monarchs and by the Roman Church of that time. Thus he can truly say that he is "related to Jesus". (This is based upon the Merovingian Dynasty teaching that Jesus never died on the cross, but simply was revived in the Garden Tomb. This fabricated theory has been the basis of the idea of "Blue Blood" royalty and the so-called "Divine Right of Kings."

Prince Bernhard's House of Orange had its origins in France. The Habsburgs are related through marriage with the Merovingians, who are said to have descended from the Tribe of Benjamin who went into exile following war with the other eleven Tribes — see Judges, Chapter 21. Exile took them to Arcadia in the central Peloponnese, Greece. Here they aligned with the Arcadian royal line and towards the advent of the Christian era, migrated up the Danube and Rhine, through marriage engendering the Sicambrian Franks — the immediate forebears of the Merovingians, who were ultimately of Semitic origin, and descendants of King Saul.

They are identified with the Spartans, and both books of Maccabees link the Spartans with the Jews. I Maccabees 12 tells of Jonathan sending a letter to the Lacedemonians (Spartan Greeks) asking for their help, since they were brethren. The Spartans replied, "It is found in writing, that the Lacedemonians and Jews are brethren and that they are of the stock of Abraham" (verse 21). It is assumed by some writers that this means the Spartans were Israelites, but the Spartans were not Israelites; they were Edomites descended from Bela son of Beor and brother of Baalim, and king of Edom -(Genesis 36:32; I Chronicles 1:43). Edom was the son of Isaac and grandson of Abraham who sold his birthright, and bred his posterity off the Book of Life.

Early in the fifth century the Merovingians established themselves in what is now Belgium and northern France. There they adopted the Cabalistic pseudo-Christianity of the Cathars, a dualistic religion that holds there are two eternal gods, the god of Good and the god of Evil. It is revealing that this Luciferian belief is held by Masons of high degree and those who would be Masters of this world today, and who claim that Lucifer will ultimately be victorious.

Under Clovis I, who reigned from 481-511 A.D., the Franks converted to Roman Catholicism. Through him, Rome began to establish undisputed supremacy in Western Europe. In return for being the sword of Rome whereby the church would manifest her power and impose a spiritual dominion, Clovis was granted the title of “New Constantine” and to preside over a unified “Holy Roman Empire” based on the church and administered on the secular level in perpetuity by the Merovingian bloodline. Like “the sure mercies of David”, this was a pact that could be modified, but not revoked, broken or betrayed.

When in 496 A.D. the church pledged itself in perpetuity to the Merovingian bloodline it was presumably in full knowledge of their claimed identity. This would explain why Clovis was offered the status of Holy Roman Emperor, and why he was not created but only “crowned” king. In 754 A.D. the church clandestinely betrayed its pact.

The Priore de Sion is the name of the secret order which created the Knight Templars as its military and administrative arm. (It should be remembered that the Knight Templars were the forerunners of Freemasonry). Acting in the shadows, the Priore de Sion continues to function through the centuries, and has orchestrated certain critical events in Western history.

It exists today and is still operative. Its declared objective is the restoration of the Merovingian dynasty and bloodline to the throne not only of France, but of other European nations as well, a restoration that is sanctioned and justifiable, both legally and morally.

There is strong evidence to suggest that this order was the author of Freemasonry, and “The Protocols of the Learned Elders of Sion”, as well as the Rosicrucians. There is abundant evidence to suggest that Nostradamus was one of their secret agents, and there is no question that numerous quatrains which refer to the advent of “le Grand Monarch” indicate that this sovereign will ultimately derive from the Merovingian dynasty. Implying a double hegemony of the Papacy and the Empire, of the Vatican and of the Habsburgs. He frequently referred quite explicitly to the Knights Templars and to the house of Lorraine which is now synonymous with the Habsburgs.

Although deposed in the eighth century, the Merovingian bloodline did not become extinct. On the contrary it perpetuated itself in a direct line from Dagobert II and his son Sigisbert IV. By dint of dynastic alliances and intermarriages, this line came to include Godfroi de Bouillon, who captured Jerusalem in 1099 A.D., and various other noble and royal families, past and present — Blanchefort, Gisors, Saint-Clair (Sinclair in England), Montesquieu, Montpezat, Poher, Luisignan, Plantard and Habsburg-Lorraine. At present, the Merovingian bloodline enjoys a legitimate claim to its heritage.

The crown of Charlemagne — a replica of which is now part of the imperial Habsburg regalia — is said to have borne the inscription “Rex Salomon” (Encyclopaedia Britannica, 14th Ed., 1972, Crown and Regalia, Fig. 2). And the “Spear of Destiny”, which is said to have pierced Christ, resides today in the Treasure House, Vienna, awaiting another Holy Roman Emperor (The Rigby Joy of Knowledge Library. History and Culture I, 1977:160; The Holy Roman Empire, Friedrich Heer, p. 284). It is clear why the “Protocols of the Elders of Sion” speak of a new king “of the Holy seed of David”, (Holy Blood and the Holy Grail, Baigent, Leigh and Lincoln). Otto von Habsburg is today the titular Duke of Lorraine and King of Jerusalem.

The Priore de Sion claim to hold the lost treasure of the Temple of Jerusalem plundered by Titus in A.D. 70 which would be returned to Israel “when the time was right”. This might explain why Rome must defer to the “kings of the earth” and how she will seal a covenant with the Jews who have long hidden behind the shield of baptism.

Prince Bernhard is in fact related to the Khazars, and therefore a Gentile. Revelation 2:9, ***“I know thy works, and tribulation, and poverty, (but you are rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.”***

Assisted by the CIA, Prince Bernhard has brought the hidden ruling body of the Illuminati into public knowledge as De Bilderberg Group. (Established in 1954, its headquarters is 1 Smidswater, Den Haag, Netherlands). At the heart of the Bilderberg Group are 39 members of the Illuminati chosen from three committees drawn from the members of all the secret groups

that comprise the Illuminati: the Freemasons, the Vatican and the Black Nobility. This committee works year round in offices in Switzerland.

The Committee of 300 now call themselves World Government Founders for the NWO. A reference no doubt to their hereditary claim to the “Divine Right of Kings”. It is imperative that we realize that privately, the Black Nobility refuse to ever recognize any government other than their own inherited and divine right to rule. They believe the United States still belongs to England and work diligently behind the scenes to cause conditions whereby they might regain their crowns. Every royal and so-called noble dynasty past and present of Europe have seats on the Committee of 300, most often by nominees. There are just too many of these “royal” families for them each to have representatives on the Committee of 300. Precedence is determined by rank: first royal family members, then dukes, earls, marquises and lords, then finally “commoners”, who usually get the title of “Sir”. (Conspirator’s Hierarchy: The Committee of 300”, Dr. John Coleman).

## HISTORY OF THE BLACK NOBILITY

In Carthage, the Canaanites called themselves Punics. Rome attacked Carthage in full force, beginning in 264 B.C. and completed their task after killing or enslaving every Carthaginian, by sowing the land to salt so that nothing could ever grow there again.

The Edomites descended from Esau later intermarried with the Turks to produce a Turco-Edomite mixture which later became known as Chazars (Khazars) – who are the present occupants of Israel. These Canaanites eventually adopted the name “Sepharvaim” for deceptive purposes. They later became known as Venetians, and by marrying into European royalty and aristocracy, the “black nobility.” The Venetians today control the Federal Reserve system in the US.

Around 1400 A.D., European power centers coalesced into two camps: the Ghibellines, who supported the Emperors Hohenstaufen family; and the Guelphs (the Welfs), from Welf, the German prince who competed with Frederick for control of the Holy Roman Empire. The Pope allied himself with the Guelphs. All modern history stems directly from the struggle between these two powers.

The Guelphs are also called the Neri, Black Guelphs, or Black Nobility, and supported William of Orange in his seizure of the throne of England, which eventually resulted in the formation of the Bank of England and the East India Company, which would rule the world from the 17th century. All coup d’états, revolutions and wars in the 19th and 20th centuries are centered in the battle of the Guelphs to hold and enhance their power, which is now the New World Order.

The power of the Guelphs would extend through the Italian financial centers to the north of France in Lombardy (all Italian bankers were referred to as “Lombards”). Lombard in German means “deposit bank”, and the Lombards were bankers to the entire Medieval world. They would later transfer operations north to Hamburg, then to Amsterdam and finally to London.

The Guelphs would start the slave trade to the colonies. In order to aid their control of finance and politics, the Guelphs would perpetuate gnostic cults which eventually developed into the Rosicrucians, Unitarians, Fabian Society and the World Council of Churches. The East India Company, together with John Stuart Mill, would finance the University of London.

A friend of Mill, historian George Grote, a founder of London University donated £6000 for the study of “mental health”, which began the worldwide “mental health” movement.

Banks large and small in the thousands are in the Committee of 300 network, including:

•	Banca Commerciale d'Italia
•	Banca Privata
•	Banco Ambrosiano
•	The Netherlands Bank
•	Barclays Bank
•	Banco de Colombia
•	Banco de Ibero-America

Of special interest is Banca del la Svizzera Italiana (BSI) – since it handles flight capital investments to and from the United States – primarily in dollars and US bonds – located and isolated in “neutral” Lugano, the flight capital center for the Venetian Black Nobility.

Lugano is not in Italy or in Switzerland, and is a kind of twilight zone for shady flight capital operations. George Ball, who owns a large block of stock in BSI, is a prominent “insider” and the bank’s US representative.

In the secret 1822 Treaty of Verona (between Austria, France, Prussia and Russia) the Jesuits agreed to smash the US Constitution and suppress the freedom of the US. Their methods included destroying free speech, destroying and suppressing the press, universal censorship, sustaining the cooperation of the Pope and clergy to use religion to help keep nations in passive obedience and financing wars against countries with representative governments.

The monarchs who signed this treaty were ultimately deposed. Most of these families are very wealthy and may be more powerful today than when they sat upon thrones. They are known collectively as the Black Nobility. Privately these families refuse to recognize any right to rule except their own.

The fact that this treaty was made long ago does not mean it is void. The treaty was placed in the Congressional Record on April 25, 1916 by Senator Owen.

In 1948 George H.W. Bush graduated from Yale University and the Skull and Bones. He is a distant cousin of the Queen of England, part of the Black Nobility which traces its power back 5,000 years.

Prince Bernhard of the Netherlands created a group that became known as the Bilderbergers. Many “conservative” researchers have come to recognize the Bilderbergers as an important force for the “New World Order.”

(Note: According to former British Intelligence agent John Coleman, since the Bilderberger’s serve as a BINDING force between the three major ‘one world government’ forces – the Wicca-Masons (i.e. Communism); the Black Nobility descendants of the early Roman emperors; and the Maltese Jesuits... each of which have 13 respective representatives on the 39-member Bilderberger board – and since a Nazi SS storm trooper was responsible for developing this “New World Order” coordination council, and since Adolph Hitler’s second book was titled [believe it or not] “The New World Order.” No wonder Adolph Hitler’s dream – and that of his predecessors the “Kaisers”, a German translation of “Caesars” – was the revival of the Roman Empire).

According to former British Intelligence agent Dr. John Coleman, the three world power groups: the Wicca-Masons (i.e. Communism), the Maltese-Jesuits and the Black-Nobility (‘Black’ in this context refers to their character, not their skin color) all work for and under the central Command of the Bavarian Illuminati which binds them together. The Bavarians created the Bilderberg society for this purpose, the core of which is a council of 13 members from each of the three ‘groups’ or 39 in all.

The old-line ruling families believe that they have the right to rule the world because they are descended from the Emperors of the ancient Roman Empire, and/or the Emperors of the so-called ‘holy’ Roman Empire descended from the Merovingian Dynasty consist of 13-15 ‘blue blood’ families.

Prominent on the board of two insurance giants are Committee of 300 members:

•	the Giustiniani family Black Nobility of Rome and Venice who trace their lineage to the Emperor Justianian
•	Sir Jocelyn Hambro of Hambros (Merchant) Bank
•	Pierpaolo Luzzatti Fequiz whose lineage dates back six centuries to the most ancient Luzzatos, the Black Nobility of Venice
•	Umberto Ortolani of the ancient Black Nobility family of the same name

Other old Venetian Black Nobility Committee of 300 members and board members of ASG and RAS are:

•	the Doria family the financiers of the Spanish Hapsburgs
•	Elie de Rothschild of the French Rothschild family
•	Baron August von Finck (Finck the second richest man in Germany now deceased)
•	Franco Orsini Bonacassi of the ancient Orsini Black Nobility that traces its lineage to an ancient Roman senator of the same name
•	the Alba family whose lineage dates back to the great Duke of Alba
•	Baron Pierre Lambert, a cousin of the Belgian Rothschild family

Italy was chosen as a test-target by the Committee of 300. Italy is important to the conspirators' plans because it is the closest European country to the Middle East, and linked to Middle East economics and politics. It is also the home of the Catholic Church, which Weishaupt ordered destroyed, and home for some of Europe's most powerful oligarchical families of the ancient Black Nobility.

Should Italy have been weakened by Aldo Moro's death, it would have had repercussions in the Middle East which would have weakened US influence in the region. Italy is important for another reason; it is a gateway for drugs entering Europe from Iran and Lebanon.

Various groups combined under the name of socialism to bring about the downfall of several Italian governments since the Club of Rome was established in 1968. Among these are the Black Nobility of Venice and Genoa, P2 Masonry and the Red Brigades, all working for the same goals. Police investigators in Rome working on the Red Brigades-Aldo Moro case came across the names of several very prominent Italian families working closely with this terrorist group.

The police also discovered evidence that in at least a dozen cases, these powerful and prominent families had allowed their homes and/or property to be used as safe houses for Red Brigades cells.

Peccei headed the Atlantic Institute's Economic Council for three decades while he was the Chief Executive Officer for Giovanni Agnelli's Fiat Motor Company. Agnelli, a member of an ancient Italian Black Nobility family of the same name, was one of the most important members of the Committee of 300. He played a leading role in development projects in the Soviet Union. The Club of Rome is a conspiratorial umbrella organization, a marriage between Anglo-American financiers and the old Black Nobility families of Europe, particularly the so-called "nobility" of London, Venice and Genoa.

The list of the Anglo-American financiers consist of the following families:

Rothschild	Lehman	Sach	Goldman	Schroeder
Kuhn	Loeb	Warburg	Schiff	Bush
Lazard	Rockefeller	Seaf	Morgan	Harriman
Others that have not been mentioned are more 'powerful' than others				

These names will get you started if you wish to track down the present-day inner core of the conspiracy. The history of the Bilderberg group itself, a cover for the Bavarian Illuminati, and its Nazi connections, would probably be the best place to start.

The key to the successful control of the world is their ability to create and manage savage economic recessions and eventual depressions.

To introduce new cults and continue to boost those already functioning which include rock "music" gangsters such as the filthy, degenerate Mick Jagger's "Rolling Stones" (a gangster group much favored by European Black Nobility) and all of the Tavistock-created "rock" groups which began with "The Beatles."

To continue to build up the cult of Christian fundamentalism begun by the British East India Company's servant, Darby, which will be misused to strengthen the Zionist state of Israel through identifying with the Jews, through the myth of "God's Chosen People", and by donating very substantial amounts of money to what they mistakenly believe is a religious cause in the furtherance of Christianity.

Brzezinski was not writing as a private citizen but as Carter's National Security Advisor and a leading member of the Club of Rome and a member of the Committee of 300, a member of the CFR and as a member of the old Polish Black Nobility. His book explains how America must leave its industrial base behind and enter into what he called "a distinct new historical era."

In this regard a French Black Nobility member, Etienne D'Avignon, a member of the 'Committee of 300', was assigned the task of collapsing the steel industry in the US. It is doubtful that any of the hundreds of thousands of steel workers and shipyard workers who have been without jobs for the past decade have ever heard of D'Avignon.

A second assassination bureau is located in Switzerland and was until recently run by a shadowy figure of whom no photographs existed after 1941. The operations were and probably still are financed by the Oltramaire family – Swiss Black Nobility, owners of the Lombard Odier Bank of Geneva, a 'Committee of 300' operation.

The primary contact man was Jacques Soustelle – according to US Army-G2 intelligence files. This group was also closely allied with Allen Dulles and Jean de Menil, an important member of the Committee of 300 and a very prominent name in the oil industry in Texas.

Army-G2 records show that the group was heavily involved in the arms trade in the Middle East, but more than that, the assassination bureau made no less than 30 attempts to kill General de Gaulle, in which Jacques Soustelle was directly involved.

The same Soustelle was the contact man for the Sendero Luminoso-Shining Pathway guerilla group protecting the Committee's Peruvian cocaine producers.

Richard Gardner was sent to Rome on a special assignment. Gardner married into one of the oldest Black Nobility families of Venice, thus providing the Venetian aristocracy a direct line to the White House. The late Averill Harriman was another of the committee's direct links with the Kremlin and the White House, a position inherited by Kissinger after Harriman's death.

In 1986 in "The Order of St. John of Jerusalem" Dr. Coleman wrote:

*"It is therefore not a secret society, except where its purposes have been perverted in the inner councils like the Order of the Garter, which is a prostituted oligarchical creation of the British royal family, which makes a mockery of what the Sovereign Order of St. John of Jerusalem stands for.*

*As an example, we find the atheist Lord Peter Carrington, who pretends to be an Anglican Christian but who is a member of the Order of Osiris and other demonic sects, including Freemasonry, installed as a Knight of the Garter at St. George's Chapel, Windsor Castle, by Her Majesty, Queen Elizabeth II of England, of the Black Nobility Guelphs, also head of the Anglican Church, which she thoroughly despises."*

*\$15.8 billion is one realistic estimate of the Queen's worth – tax exempt – BOE.*

*"Only the little people pay taxes." -Leona Helmsly*

## **THE COMMITTEE OF 300 – A BRIEF HISTORY OF WORLD POWER**

The Venetian Black Nobility  
Roots of Today's Ruling Oligarchy by Dr. John Coleman

*"Three hundred men, all of whom know one another, direct the economic destiny of Europe and choose their successors from among themselves." –Walter Rathenau, 1909, founder of the mammoth German General Electric Corporation.*

*The 'Committee of 300' is a product of the British East India Company's Council of 300. The East India Company was chartered by the British royal family in 1600 A.D. It made vast fortunes in the opium drug trade with China and became the largest company on earth in its time. Today, through many powerful alliances, the 'Committee of 300' rules the world and is the driving force behind the criminal agenda to create a "New World Order", under a "Totalitarian Global Government". There is no need to use "they" or "the enemy" except as shorthand. We know who "they", the enemy, is. The 'Committee of 300' with its "aristocracy", its ownership of the U.S. Federal Reserve banking system, insurance companies, giant corporations, foundations, communications networks, presided over by a hierarchy of conspirators—this is the enemy. Secret societies exist by deception. Each is a hierarchy with an inner circle at the top, who deceives those below with lies, such as claiming a noble agenda; thus, duping them into following a web of compartmentalized complicity. The inner circle of the 'Committee of 300' is*

*the Order of the Garter, headed by Queen Elizabeth Windsor II. It is interesting to note that the Windsor's changed their name from the Germanic Saxe-Coburg-Gotha during WWI, because of anti-German sentiment.*

*The enemy is clearly identifiable as the 'Committee of 300' and its front organizations, such as the Royal Institute for International Affairs (Chatham House), the Club of Rome, NATO, U.N., the Black Nobility, the Tavistock Institute, CFR and all its affiliated organizations, the think tanks and research institutions controlled by Stanford and the Tavistock Institute of Human Relations and last, but certainly not least, the military establishment.*

*The 'Committee of 300' is the ultimate secret society made up of an untouchable ruling class, which includes the Queen of the United Kingdom (Elizabeth II), the Queen of the Netherlands, the Queen of Denmark and the royal families of Europe. These aristocrats decided at the death of Queen Victoria, the matriarch of the Venetian Black Guelphs that, in order to gain world-wide control, it would be necessary for its aristocratic members to "go into business" with the non-aristocratic but extremely powerful leaders of corporate business on a global scale, and so the doors to ultimate power were opened to what the Queen of England likes to refer to as "the commoners". Through their illicit banking cartel, they own the stock of the Federal Reserve, which is a private for profit corporation that violates U.S. Constitution and is a ROOT of the problem.*

*The decadent American families of the unholy partnership, thoroughly corrupted and wallowing in tainted opium money, went on to become what we know today as the Eastern Liberal Establishment. Its members, under the careful guidance and direction of the British Crown, and subsequently, its foreign policy executive arm, the Royal Institute for International Affairs (RIIA), now known as Chatham House, located in England (across St. James's Square from the Astors), ran the United States from top to bottom through their secret upper-level, parallel government, which is tightly meshed with the 'Committee of 300', the ultimate secret society. That secret, all-powerful government is more in control of the United States as of 2006 than ever before.*

*Some notable members of the 'Committee of 300' include: The British royal family, Dutch royal family, House of Hapsburg, House of Orange, Duke of Alba, Prince Philip Duke of Edinburgh, Lord Carrington, Lord Halifax, Lord Alfred Milner, John Jacob and Waldorf of the Astor Illuminati bloodline, Winston Churchill, Cecil Rhodes, Queen Elizabeth II, Queen Juliana, Queen Beatrix, Queen Magreta, King Haakon of Norway, Colonel Mandel House, Aldous Huxley, John Forbes, Averill Harriman, William and McGeorge Bundy, George Bush, Prescott Bush, Henry Kissinger, J.P. Morgan, Maurice Strong, David Rockefeller, David and Evelyn Rothschild, Paul, Max and Felix Warburg, Ormsby and Al Gore, Bertrand Russell, Sir Earnest and Harry of the Oppenheimer Illuminati bloodline, Warren Buffet, Giuseppe Mazzini, Sir William Hesse, George Schultz, H.G. Wells, and Ted Turner.*

*In the 'Committee of 300', which has a 150-year history, we have some of the most brilliant intellects assembled to form a completely totalitarian, absolutely controlled "new" society only it isn't new, having drawn most of its ideas from the Clubs of Cultus Diabolicus. It strives toward*

*a One World Government rather well described by one of its late members, H. G. Wells, in his work commissioned by the Committee which Wells boldly called: "The Open Conspiracy: Blue Prints for a World Revolution".*

*Most of the 'Committee of 300's immense wealth arose out of the opium trade with China and India. Obscene profits went straight into the royal coffers, and into the pockets of the nobility, the oligarchs and plutocrats, and made them billionaires. The ordinary people of China, India, and England profited nothing from "opium revenues". In the same way the people of South Africa, black and white, never profited from the gold mining industry, whose revenues were piped directly into the City of London banks and Merchant banks. The 'Committee of 300' is responsible for the phony drug wars here in the U.S. These phony drug wars were to get us to give away our constitutional rights. Asset forfeiture is a prime example, where huge assets can be seized without trail and no proof of guilt needed. Also the Committee of 300 long ago decreed that there shall be a smaller-much smaller-and better world, that is, their idea of what constitutes a better world. The myriads of useless eaters consuming scarce natural resources were to be culled by up to 99%. Industrial progress supports population growth. Therefore the command to multiply and subdue the earth found in Genesis had to be subverted. This called for an attack upon Christianity; the slow but sure disintegration of industrial nation states; the destruction of billions of people, referred to by the 'Committee of 300' as "surplus population," and the removal of any leader who dared to stand in the way of the Committee's global planning to reach the foregoing objectives. Not that the U.S. government didn't know, but as it was part of the conspiracy, it helped to keep the lid on information rather than let the truth be known. Queen, Elizabeth II, is the head of the 'Committee of 300'*

*The current criminal agenda of the 'Committee of 300' is further evidenced by recently leaked Club of Rome documents, as they describe how they will use drugs to help stifle resistance to their New World Order scheme: "...having been failed by Christianity, and with unemployment rife on every hand, those who have been without jobs for five years or more, will turn away from the church and seek solace in drugs. By then, full control of the drug trade must be completed in order that the government of all countries who are under our jurisdiction have a monopoly in place which we will control by controlling supplies reaching the market... Drug bars will take care of the unruly and the discontented. Would-be revolutionaries will be turned into harmless addicts with no will of their own..." The crowned cobras of Europe and their Eastern Liberal Establishment families will not tolerate any true war against drugs. The war on drugs, which the Bush administration was allegedly fighting, was for the legalization of all types and classes of drugs. Such drugs are not solely a social aberration, but a full-scale attempt to gain control of the minds of the people of the United States. At present, this is the principal task of the Committee of 300. Nothing has changed in the opium-heroin-cocaine trade. It is still in the hands of the same "upper class" families in Britain and the United States. It is still a fabulously profitable trade where what appear to be big losses through sometimes seizures of drug shipments are actually small interlopers trying to break into the preserves of the drug trade hierarchy, who sit in paneled board rooms in New York, Hong Kong and London over port and cigars and congratulate another success in the eradication of "competitors."*

Included in the 'Committee of 300' membership are the old families of the European Black Nobility, the American Eastern Liberal Establishment (in Freemason hierarchy and the Order of Skull and Bones), the Illuminati, or as it is known by the Committee "MORIAH CONQUERING WIND," the Mumma Group, The National and World Council of Churches, the Circle of Initiates, the Nine Unknown Men, Lucis Trust, Jesuit Liberation Theologists, The Order of the Elders of Zion, the Nazi Princes, International Monetary Fund (IMF), the Bank of International Settlements (BIS), the United Nations (U.N.), the Central, British Quator Coronati, Italian P2 Masonry—especially those in the Vatican hierarchy—the Central Intelligence Agency, Tavistock Institute selected personnel, various members of leading foundations and insurance companies, the Hong Kong and Shanghai Bank, the Milner Group-Round Table, Cini Foundation, German Marshall Fund, Ditchley Foundation, NATO, Club of Rome, Environmentalists, The Order of St. John of Jerusalem, One World Government Church, Socialist International, Black Order, Thule Society, Anenherbe-Rosicrucianists, The Great Superior Ones and literally HUNDREDS of other organizations.

In the case of John F. Kennedy, the assassination was carried out with great attendant publicity and with the utmost brutality to serve as a warning to world leaders not to get out of line. Pope John Paul I was quietly murdered because he was getting close to the Committee of 300 through Freemasons in the Vatican hierarchy. His successor, Pope John Paul II, was publicly humiliated as a warning to cease and desist—which he has done. As we shall see, certain Vatican leaders are today seated on the 'Committee of 300'.

The 'Committee of 300' appears to base much of its important decisions affecting mankind on the philosophy of Polish aristocrat, Felix Dzerzinski, who regarded mankind as being slightly above the level of cattle. As a close friend of British intelligence agent Sydney Reilly (Reilly was actually Dzerzinski's controller during the Bolshevik Revolution's formative years), he often confided in Reilly during his drinking bouts. Dzerzinski was, of course, the beast who ran the Red Terror apparatus. He once told Reilly, while the two were on a drinking binge that "Man is of no importance. Look at what happens when you starve him. He begins to eat his dead companions to stay alive. Man is only interested in his own survival. That is all that counts. All the Spinoza stuff is a lot of rubbish."

The roots of the East India Company (chartered by Queen Elizabeth I on December 31, 1600 and dissolved in 1873) sprout from the European Black Nobility. The Black Nobility is the oligarchic families of Venice and Genoa, who in the 12th century held the privileged trading rights (monopolies). The first of three crusades, from 1063 to 1123, established the power of the Venetian Black Nobility and solidified the power of the wealthy ruling class. The Black Nobility aristocracy achieved complete control over Venice in 1171, when the appointment of the doge was transferred to what was known as the Great Council, which consisted of members of the commercial aristocracy, a complete triumph for them. Venice has remained in their hands ever since, but the power and influence of the Venetian Black Nobility extends far beyond its borders, and today, is felt in every corner of the globe. In 1204 the oligarchic families parceled out feudal enclaves to their members, and from this epoch dates the great building-up

of power and pressure until the government became a closed corporation of the leading Black Nobility families.

It is important to note that the European Black Nobility is responsible for the insidious entanglements of numerous secret societies, lodges, and organizations, which are backed with high finance and powerful political connections. Such organizations include: Trilateral Commission, Bilderberg Group (German version of CFR), Council on Foreign Relations (CFR), United Nations (founded by CFR), Illuminati order Skull & Bones (inner circle of the CFR), International Monetary Fund (IMF), World Bank, Bank of International Settlement, Club of Rome, Chatham House (formally the Royal Institute of International Affairs – RIIA), Round Table, Tavistock Institute for Human Studies (England's psychological warfare think tank), Associated Press, Reuters (Rothschild owned news monopoly used for brainwashing the masses), and many others, all of which, whether they are dupes or adapts, work in favor of Great Britain's aristocracy and their one world government agenda. Although there is a wide cross-section, all roads lead to the Queen of England. The technique for keeping their illicit scheme secret is compartmentalization. Only the people in the inner circle, who are part of the capstone at the top of the pyramid, know the entire extent of the fraud. Adepts are few and dupes many. Typically, the dupes are told lies that their involvement is benevolent; thus, they become unwitting accomplices in crime. This is why it is imperative to expose this diabolical ring of power. Illicit secret societies cannot withstand the light of day. Once exposed, the cabal and their minions will fall like a house of cards.

The European Black Nobility earned its title through dirty tricks, so when the population revolted against the monopolies in government, as anywhere else, the leaders of the uprising were quickly seized and brutally hanged. They use secret assassinations, murder, the bankrupting of opposing citizens or companies, kidnapping and rape. All the families listed are connected with the House of Guelph [senior line of the House of Este], one of the original Black Nobility families of Venice from which the House of Windsor and thus the present Queen of the United Kingdom, Elizabeth II, descends.
